## FLORIDA BALLPARK at ALFRED A. MCKETHAN FIELD

**"You get one chance to build these types of facilities ... facilities that will change the landscape of a program for generations to come. It's exciting to think of the impact the new ballpark will have on future Gators players, coaches and fans."**

--Scott Stricklin, Athletics Director

On February 8, 2019, the University Athletic Association broke ground on Florida Ballpark. Construction on the (estimated) \$65 million ballpark, located on the southwest part of the University of Florida campus adjacent to Disney Stadium, was completed in June 2020.

Florida Ballpark features a 360-degree open concourse, shade structure for fans, multiple seating and game experience options, high-definition video and sound, enhanced concession space and food options, and multiple prominent entry gates.

All permanent seats feature chairbacks and there are multiple premium seating options, in addition to grass berms and non-traditional seating that will bring capacity to more than 7,000. There are over 4,000 chairback seats, and 700-plus fans are able to enjoy new club level seating.

## FLORIDA BALLPARK at ALFRED A. MCKETHAN FIELD (Capacity: 7,000)

Student-athletes have a private nutrition area, team lounge, film room, team meeting room, expanded locker room, indoor pitching and batting cages, and an enhanced training and rehabilitation area. The staff has individual office space for all coaches and a reception area celebrating the program's achievements.

**"The place (is) incredible. As soon as you drive up there, see that thing dominate the horizon, it makes an incredible first impression. It's the best baseball program in college baseball, and it deserves to have a top-notch facility. Now it does."**

--Aaron Fitt, D1Baseball

**"I think the biggest takeaway that I've had is it's hard to describe how nice this place is in just a normal conversation. You almost have to see it for yourself to understand how nice this is. It's turned out even better than I thought it would."**

--Kevin O'Sullivan, Head Coach

# REMEMBERING ALFRED A. MCKETHAN STADIUM at PERRY FIELD

2020 marked the final season at Alfred A. McKethan Stadium at Perry Field. The friendly confines of McKethan Stadium were an important ingredient to the success of Gators Baseball for more than two decades. From its opening in 1988 until its final season in 2020, Florida was one of the toughest teams in the nation to defeat at home, posting a 911-303 (.750) record at McKethan Stadium.

Head coach **Kevin O'Sullivan** logged a 366-104 (.779) overall record, and an eye-popping 85-16 (.837) mark in regular-season series at McKethan Stadium in the first 13 years of his tenure.

The Gators ran off a school-record 29-game home winning streak from May 2015 through April 8, 2016, won 12 NCAA Regionals, and captured eight NCAA Super Regional titles at McKethan Stadium.

McKethan Stadium (also referred to as "The Mac"), formerly located on Stadium Road, gave the Gators one of the most unique ballparks in college baseball upon its inaugural season in 1988.

The \$2.4-million stadium's initial construction and refurbishment – which featured a 2,500-seat grandstand with 800 chair backs, a new press box, concession stands, and restrooms – in 1987 was made possible through the generosity of Alfred A. McKethan, a major benefactor to the University of Florida in many ways throughout his lifetime.

"Baseball always had been my first love. The facility we have at home (Emerson Field at Hernando High School) looked better than at the university," McKethan told The Tampa Tribune for its Feb. 23, 1988 story which detailed the project's completion. "I challenged fellow (Bull Gator Club) members to match me dollar for dollar and let us bring baseball at Florida to the level with football and basketball facilities."

McKethan, who was chairman of the board of Brooksville's Sun Bank & Trust at the time, presented the University Athletic Association with just over 10,000 shares

## MCKETHAN STADIUM ATTENDANCE NOTES

Florida broke its attendance record in 2018, hosting 165,551 fans – a school record – over 41 home games and its highest ever average attendance (4,038). In 2016, the Gators recorded their highest game attendance in school history (6,244 vs. Mississippi State, 4/9).

At McKethan Stadium, Florida Baseball...

- Welcomed over 100,000+ fans per season in 13 of its final 15 years
- Registered 62 crowds of 5,000-plus fans
- Ranked among the nation's top 15 schools in college baseball attendance in 21 of its last 23 seasons
- Rated among the nation's top 25 schools in attendance for 25 consecutive seasons
- Hosted 16 NCAA Regionals and nine NCAA Super Regionals

of Sun Bank stock, which amounted to a \$500,000 donation. Matching funds from the state and McKethan's fellow Bull Gator Club members covered the remaining costs.

Although the Gators dropped their first home game of the 1988 season (a 3-1 loss to Western Carolina), they won the first game of a double-header against Miami on Feb. 23, when an official stadium dedication was held in McKethan's honor. McKethan threw out the ceremonial first pitch ahead of Florida's 3-2 victory over the Hurricanes.

McKethan Stadium was built around Perry Field, which became Florida's home ballpark in 1949. The field drew its namesake from Carl E. "Tootie" Perry, a two-way offensive and defensive lineman for the Gators football team in 1916 and 1919-21; he earned All-Southern honors in 1920 and 1921, and served as team captain the latter season. A Gainesville product, Perry's family owned the land which became the Gators' home baseball stadium and track and field complex. Perry's family donated the land to the University with the stipulation the field be named for their son. Upon graduation, Perry became the official "Waterboy" for the baseball team and faithfully attended numerous Gators games.

The ballpark was also named Percy Beard Stadium before it was re-named Alfred A. McKethan Stadium at Perry Field in 1988.

Lights were installed at Perry Field in 1977, courtesy of a generous contribution from New York Yankees owner George Steinbrenner. Florida christened Steinbrenner's donation with an exhibition game against the Yankees that season.

A home team dugout was constructed at Perry Field in 1981, thanks to a \$10,000 donation by former Gators catcher and football quarterback Tom Shannon. The construction included a training room and storage area.

"Its roof serves as a photographer's paradise and the whole thing looks like a 7-Eleven," an editor for The Tampa Tribune wrote in a March 10, 1981 story about the project and another Gators-Yankees exhibition game the day prior – which saw Reggie Jackson finish 0-for-2 as a designated hitter against Gators starting pitcher Larry Mikesell.

At that time, Perry Field was infamous for a hill in left field which rose 30 feet to the wall. The Tampa Tribune story described how "a left fielder must chug uphill over an old sewer line in pursuit of a ball" and that "Steinbrenner winced each time outfielder Dave Winfield risked those expensive legs of his in the mountain climb" throughout the March 9, 1981 exhibition game.

A construction project in the summer of 1995 added 1,000 seats to the main grandstand of McKethan Stadium, which replaced seating the facility lost as a result of prior construction and an expansion of the press box.

The following year, a \$350,000 plaza development project created a courtyard atmosphere around the main grandstand, as well as a new main entrance to the ballpark.

In the fall of 1996, the press box was rebuilt with a gift of \$300,000 from Mr. McKethan.

Two significant upgrades were made in the summer of 1997. First, the playing field was leveled and new grass was planted. Second, the stadium's capacity increased to 5,000 after the addition of seats along the left field line and beyond the left field fence.

Those improvements made "The Mac" one of the best stadiums in college baseball. When Baseball America released a list of the Best College Baseball Stadiums in its January 1998 magazine issue, McKethan Stadium was ranked No. 7 nationally and No. 1 in the state of Florida.

# REMEMBERING ALFRED A. MCKETHAN STADIUM at PERRY FIELD

A \$13-million expansion to McKethan Stadium and the adjacent Lerner and Athletic Center further enhanced the complex upon its completion in September 2006.

The construction project created additional stadium seating and a baseball-specific building which included a training facility, video room, offices and locker rooms, as well as a new bullpen and batting cage building. The building's roof became the Don and Irene Disney Plaza, a viewing deck which overlooked the field from foul territory in left field. Other major donors for the plaza included Gary and Nancy Condron, Rob Gidel, Tommy Oakley, George Sanders, and W. Kelly Smith.

Those projects brought McKethan Stadium's seating capacity up to 5,500 (5,100 grandstand seats; 400 bleacher seats in left field).

From 1911 through 1948, Florida played its home baseball games at Fleming Field, which stretched from Thomas Hall to Gale Lemerand Drive (east to west), and University Avenue to what is currently the north end zone of Ben Hill Griffin Stadium at Steve Spurrier-Florida Field. Florida fielded its first varsity baseball team in 1912.

Five Major League Baseball teams participated in exhibition games, and at least 23 Hall of Fame inductees – including Babe Ruth and Mel Ott – played at Fleming Field between 1919 and 1929, according to a story published by The Gainesville Sun.

Fleming Field, which also served as the home of Florida football games from 1911 through 1930, was named in honor of Francis Philip Fleming, Florida's 15th governor, in October 1915. Before it was renamed, the site was referred to as the University Athletic Grounds, or the University Athletic Field.

Prior to 1911, the university's home baseball and football games were held at a downtown stadium in the Porters Community. In January 1911, the UAA purchased the ballpark's wooden fence and grandstand and moved them to the site which eventually became Fleming Field.

## ALFRED A. MCKETHAN (1908-2002)

A native Floridian, Mr. Alfred A. McKethan distinguished himself in his profession and service to the state of Florida. He served as President and Chief Executive Officer of the Sun Bank and Trust Company

(formerly Hernando State Bank) from 1942-94, at which time he retired. At the age of 38, McKethan became the youngest president of the Florida Bankers Association. Along with his brother, John W. McKethan, he established the Brooksville Rock Company, which later became known as the Florida Mining and Materials Corporation.

McKethan was also a citrus grower, serving as the Director and Chairman of the Brooksville Citrus Growers Association for 40 years, and as Director of the Florida Citrus Exchange for 15 years. He was a board member and Chairman for the Florida State Road Department and was the first Chairman of the Southwest Florida Water Management District. In addition, the Sunshine Skyway Bridge across Tampa Bay was due in part from the works of McKethan, as well as the initial planning of the Florida Turnpike.

He received his Bachelor of Science degree in Business Administration from the University of Florida as an honors graduate in 1931, and maintained close ties as an alumnus. In 1981, it was McKethan who became the first eminent scholar under a new law that provided matching funds from the state to create chairs at Florida universities if the private sector donated \$600,000. He later made his donation to UF's College of Business Administration. Also active on campus, McKethan was a member of the President's Council, a long-time Bull Gator and had been an instrumental and active member of Gator Boosters.

A Distinguished Director of Gator Boosters, he was a major benefactor to the University of Florida in many ways over the years. An avid baseball fan, McKethan attended games whenever possible each Gator season. The original 1988 stadium construction and refurbishment was made possible through his generous \$2.4-million contribution. In 1996, college baseball's fanciest and most luxurious press box was rebuilt with the aid of an additional gift of \$300,000 from McKethan.

"When you talk of Gator spirit and love for the University," said former Florida football coach Steve Spurrier, "Alfred McKethan embodies what that is all about."

McKethan passed away in April of 2002 at the age of 93 and the Gator players and coaching staff honored him by wearing black A.A.M. patches on their hats. His initials were also put above the scoreboard at the stadium bearing his name.
