SETTING THE STAG

Arkansas State concludes its Natural State road swing with a two-game midweek series at consensus top-10 foe Arkansas. Both games will be broadcast live on SEC Network+, while the radio broadcasts can be heard on The Ticket Radio Network (95.3/96.9/104.1/970 AM). There, you may listen to the recently-victorious "Voice of the Red Wolves" Matt Stolz.

ABOUT THE RAZORBACKS

- Arkansas enters this week's midweek series with a 28-7 overall mark (11-4 SEC) after sweeping 15th-ranked LSU this past weekend in Fayetteville. The Razorbacks are 23-3 at Baum-Walker Stadium this season and have won five consecutive games. This week's rankings saw them ranked as high as second nationally.
- The Razorbacks are one of the nation's top fielding teams, ranking third with an SEC-best .986 fielding
 percentage. Arkansas
- Arkansas is hitting .283 on the year as a team, which is 11th in the SEC, but has drawn 188 total walks so far (2nd SEC/20th NCAA). Michael Turner owns a team-best .344 average and is slugging .560 with five homers, 10 doubles and 32 RBI. Cayden Wallace has tallied a team-leading 45 hits and team-best 34 RBI while Braydon Webb has belted nine long balls. Preseason All-American infielder Robert Moore slashes .238/.434/.400 with 11 doubles.
- On the mound, the Razorbacks boast a team ERA of 3.42, which is third-best in the SEC and 11th nationally, while allowing 7.19 hits per 9 innings (3rd SEC/8th NCAA). Tuesday's starting pitcher, Kole Ramage, is second on the team in saves (3) and is making his second start of the season.
- Both teams share similar results against common opponents this season... The Razorbacks opened the season by taking two of three against Illinois State, with the Red Wolves taking 2 of 3 from the Redbirds a few weeks later. Both teams are also undefeated on the year against both Central Arkansas and Little Rock.

TEAM NOTES

LAST TIME OUT

- Arkansas State claimed the weekend series on Friday at Little Rock, defeating the Trojans 7-6 after Jaylon Deshazier scored the go-ahead run on a wild pitch in the top of the ninth. A-State weathered a late game-tying push by the Trojans for the second day in a row, but Tyler Jeans finished the game for the second day in a row to seal the series victory.
- The Red Wolves took an early 5-0 lead with five runs in the second inning and led 6-3 before the Trojans scored three unanswered to tie it. Both Ben Klutts and Jared Toler homered, while Toler, Deshazier and Garrett Olson all registered multiple hits.

NATURAL STATE SUCCESS

- In three games against foes from the state of Arkansas, Arkansas State has found some success, going 3-0 in a trio of one-run games.
- The Red Wolves defeated Central Arkansas 4-3 in 11 innings on March 29 before taking two games at Little Rock by 6-5 and 7-6 margins. A-State originally had a home three-game series against Arkansas-Pine Bluff scheduled in February in Jonesboro, but an ice storm had other plans and wiped out the three-game set.

CLOSE ONES

- ▶ The Red Wolves have played a bunch of close contests so far this season.
- A-State has had 16 games this season that were decided in the final few frames, including 13 decided in the eighth or ninth innings or later.

"EXTRA! EXTRA!"

- Arkansas State earned its first extra-inning win since 2019 on earlier this season in its 4-3 11-inning victory over Central Arkansas. A-State also went to extras in its series finale against Louisiana, falling 7-4 in 10 innings.
- The Red Wolves played in just one game that went to extras last season, while playing none in 2020 and four in 2019.

TOUGH START TO LEAGUE PLAY

- In its first four Sun Belt Conference series, Arkansas State has faced four opponents ranked inside the top 50 of the RPI at the time of competition.
- A-State opened up with Texas State (15th), then faced Georgia Southern (11), Coastal Carolina (38) and Louisiana (44).

"THE TOM EFFECT"

- Arkansas State's home ballpark, Tomlinson Stadium, tends to be pitcher-friendly confines, with the wind often blowing in towards home plate. A-State totaled 60 home runs last season, but 42 of those came on the road and just 18 at home (30 percent). The Red Wolves gave up 58 big flies a season ago, but just 14 came in 17 games at "The Tom." (24.1 percent).
- This year, nine of A-State's 21 home runs have come in Jonesboro, while just seven of opposing teams' 29 big flies.

ROAD WOLVES

- Arkansas State will see America's highways and byways a good bit down the stretch of the regular season, with only seven home games left on the docket in the scheduled 23 remaining contests.
- Nine of the next 12 games are on the road, but five of those 12 are inside the Natural State. A-State returns home after its two-game series against the Razorbacks to host Troy in a three-game set. Then, the Red Wolves embark on a seven-game road swing.

OFFENSIVE/POSITION PLAYER NOTES

"BENNY & THE JETS"

- Third baseman Ben Klutts is looking to live up to the preseason hype he's getting after a First Team All-Sun Belt nod in 2021. Klutts was named Preseason All-Sun Belt, as well as being tabbed to Perfect Game's Preseason All-SBC squad. Collegiate Baseball went even a step further, naming him as its pick to be the league's Player of the Year when it's all said and done.
- D1 Baseball also listed Klutts as the 45th-best third baseman in its preseason rankings of Top 50 Third Basemen.
- The Poteau, Okla., native hit .320 as a junior last season with seven home runs and 28 RBI, upping that average to .340 in conference play.
- Klutts was one of just 44 players in college baseball named to the preseason watch list for the Bobby Bragan Collegiate Slugger Award.
- Klutts is one of 30 Division I players and just two from the Sun Belt named to the Senior CLASS Award candidate list.

"YOUNG, SCRAPPY & HUNGRY"

- Several young Red Wolves have made their debuts this season, including Wil French, Daedrick Cail and Cooper Tremmel, who have become consistent staples in the lineup.
- French, a Jonesboro native, was an Opening Day starter at shortstop and hit leadoff, while Cail has entrenched himself at second base since the second game of the year. Tremmel has shown his versatility, seeing time in the outfield and behind the plate, as well as at DH.
- French has started in every game this season at shortstop, while Cail is tied for the team lead in hits (33).

"MY SACRIFICE"

- An absolute jam by Creed, yes. But this is talking about how effective Arkansas State has been early on this season at the sacrifice game.
- A-State tallied a school-record SIX sacrifice flies on March 1 versus Mississippi Valley State - just one shy of matching the Division I record set in 2004 by Arkansas. Three of those came off the bat of Jaylon Deshazier, who is third nationally with six entering the weekend.
- The Red Wolves have 17 sac flies this year, which is fourth in the Sun Belt Conference, after having just 19 total last season.

TOLER RANKED AMONG TOP 2023 DRAFT PROSPECTS IN THE 'BELT

- Sophomore first baseman Jared Toler received some preseason hype from D1 Baseball, being listed as one of the top 20 players out of the Sun Belt for the 2023 MLB Draft. The Benton, Ark., native came in at No. 18 - the No. 2 infielder.
- Toler hit .226 as a freshman last year, drawing 36 starts at first. Coaches are hoping that an increased plate discipline from the fall leads to a strong second year, as he looks to cut down on his 41/22 K-to-BB walk ratio.
- He has looked the part early this season, tallying 29 hits and a team-best seven home runs, over tripling last season's total (2). Toler has also already surpassed last season's RBI total (12), driving in a team-best 25 already this season.

JD CLIMBING THE CHARTS

- Jaylon Deshazier is nearing the top 10 in program history in career home runs. Deshazier enters the week with 18 career jacks, needing just three to tie for ninth alongside Kyle MacDonald (2018-19), Chris Rich (2004-05) and Brad Burkhead (2004-05) with 20.
- He also enters the weekend with 116 career RBI passing Austin Baker (2013-16) to rank eighth in school history. He needs just 10 to match Jeremy Brown (2015-18) for seventh. The full top 10 is on PAGE 6.
- Deshazier also enters the week 22nd among Division I active career leaders in sacrifice flies (13). He is 50th in the NCAA among all divisions.

"THREE'S COMPANY"

Arkansas State has scored three or more runs in 18 innings so far this season, including 10 "big innings," defined as four-plus runs or nine batters sent to the plate in a frame.

HOT DOG! HOT DOG! HOT DIGGITY DOG!

- It's the Mickey (Coyne) Clubhouse!
- Coyne has made himself comfortable in the A-State lineup and seeing time at first base as well as in the outfield, along with a few pitching appearances. The Reno, Nev., native is hitting .275 after starting the season hitting just .182.

PITCHING NOTES

THE OLD AND THE NEW

- Arkansas State's pitching staff features a strong mix of both old and new faces this season, led by new pitching coach Alan Dunn, who was hired over the summer after a successful 10-year stint at LSU. One of the most respected pitching minds in college baseball, Dunn was the 2015 *Collegiate Baseball* National Pitching Coach of the Year and was part of nine NCAA Tournament teams in Baton Rouge.
- A-State returns all three weekend starters from last season in Brandon Hudson, Will Nash and Carter Holt, as well as midweek staple Tyler Jeans.
- The Red Wolves boast several new faces on the bump, including Justin Medlin, who had a standout fall en route to contending for a role in the starting rotation. A-State also bolstered its corps of lefties after playing most of last season without a single left-handed arm.
- The Scarlet and Black lost a pair of key back-end bullpen arms from last season in Jack Jumper and Kollin Stone, but made up for it by bringing in flamethrower Treshon Paschal and former Wagner closer Kevin Wiseman.
- Also new for this season comes to Tomlinson Stadium itself, in the form of a brand-new bullpen area in right-center field, removing the Red Wolves' "arm barn" from out of the field of play. It features FOUR regulation mounds and 90 feet of space, with ample room for video angles, as well as a plyo wall for pitchers to begin their warmups.

ARMS OUTTA THE 'BARN

- Arkansas State went to the bullpen early and often against Mississippi Valley State to begin the month of March, with 13 combined pitchers seeing mound time in relief in the two seven-inning contests.
- > They were strong, too, only allowing two runs on eight scattered hits.
- A-State had some strong work out of its relievers in two wins over Illinois State earlier this season, allowing just two earned runs in 8 1/3 innings in those two victories. Kevin Wiseman showed electric stuff in the ninth, recording a pair of quick saves in those wins.

RING 'EM UP!

- Arkansas State's improved its strikeout numbers this season drastically 259 through 31 games compared to 207 last season over the same stretch. A-State has struck out 10 or more batters in 12 games so far, having done it just six times all of last year.
- During A-State's first Sun Belt series versus Texas State, the Red Wolves' starting pitching was key to that production, striking out 18 while walking just three. Justin Medlin punched out seven against Texas State on Friday, while Jakob Frederick K'd six in a pair of starts and did not allow a walk. Will Nash performed well on Saturday against the Bobcats, striking out five to two walks. All three pitched 5-plus innings on the weekend.

#PITCHERSWHORAKE

- Shohei Ohtani may be the best two-way player in baseball right now, but Arkansas State's Justin Medlin has proved he can both pitch and hit at a high caliber this season.
- A two-way standout in high school and junior college, Medlin has worked his way into A-State's Friday-night starter role and made his 2022 debut at the plate on Saturday versus Coastal Carolina, going 2-for-4 with a double.
- Oh yeah, and he hits without batting gloves so that's just an added bonus.

AUSTIN 3:16

- No, not the glass-shattering sound of Stone Cold Steve Austin ("WHAT?!"). This is in reference to the recent performances of left-handed reliever Austin Brock.
- The JUCO transfer from the Missouri bootheel (Senath) leads A-State with a 2.25 ERA in 12 innings over 12 appearances.

HOLT-ING IT DOWN

- Carter Holt made an impressive return to the mound after being sidelined with a hand injury for the last few weeks. The Jackson, Tenn., native took the bump for his first start in exactly 28 days and looked like he did on Sundays last season, striking out five and walking none in five complete innings.
- Holt was a solid game 3 starter for the Red Wolves a season ago, giving the Scarlet and Black a strong chance to win every time out. In fact, A-State was 8-1 in his last nine outings of 2021. He registered seven straight outings of five innings or more, including five straight with six frames.

REAL, COMFORTABLE (TYLER) JEANS.

- Tyler Jeans was key in the late innings for Arkansas State this past weekend at Little Rock, finishing out both contests, earning a win and his first career save.
- Jeans started the season in the rotation, but moved to the bullpen, where he's been solid, lowering his ERA from 13.50 to 5.68 entering Tuesday. In his last 13.2 innings pitched, Jeans has allowed five runs (3.29 ERA) with 9 strikeouts.

Hold = Reliever enters game in save situation and hands over that lead to another reliever while recording at least one out; One of two conditions must be met in order to credit with a hold. 1) He enters with a lead of 3 runs or less & maintains that lead while recording at least one out, or 2) He enters the game with the tying run on-deck, at the plate on on the bases and records an out before handing over to another reliever.

MISCELLANEOUS NOTES

NEW LOOK 'BELT COMING SOON...

► The 2022 season marks the end of an era for a pair of Sun Belt Conference schools, as Little Rock departs for the Ohio Valley Conference and UT Arlington heads to the WAC in July.

► The Sun Belt Conference is set to add four new members before the 2023-24 athletic year. James Madison is already set to join the league in 2022 from the Colonial Athletic Association, while Conference USA members Southern Miss, Marshall and Old Dominion are set to join before the 2022-23 academic year.

"HOME GROWN"

- Arkansas State's 2022 roster is full of homegrown talent not just from the state of Arkansas, but the Northeast Arkansas region as well as the nearby Missouri bootheel and Memphis metro area.
- A total of 24 Red Wolves hail from the Natural State, including four Craighead County natives: Wil French (Jonesboro), Sam Fagan (Jonesboro), Jake Algee (Brookland), Sawyer Bentley and Cross Jumper (Jonesboro)

"THE REST IS STILL UNWRITTEN..."

► This season, we're going to add random unwritten rules of the game of baseball, straight out of Paul Dickson's "The Unwritten Rules of Baseball."

Teammates should never mention a no-hitter or perfect game to the pitcher when they realize what is at stake.

THANKS FOR READING!

► If you've made it this far, congratulate yourself! Keep reading, because some knowledge is about to be dropped...

► There is actually a word for someone giving an opinion on something they know nothing about... an "ultracrepidarian" is someone who voices thoughts beyond their expertise.

 Ketchup was once prescribed as a medicine for indigestion back in 1834. Now, it can be a cause of indigestion. Oh, how the tables turn.
