Seeding

The two division champions shall be automatically seeded number one and number two based on winning percentage in conference competition. The rest shall be seeded numbers three through 12 based on winning percentage without regard to division. Ties will be broken in the following manner:

1. Two-Team Tie. The following procedure will be used in the following order until the tie is broken:
 - A. Won-lost results of head-to-head competition between the two tied teams.
 - B. If two-teams are divisional opponents:
 - (1) Won-lost percentage within their division (over the 18-game SEC division schedule).
 - (2) Won-lost percentage of the two teams versus the No. 1 team in their division (and proceeding through the No. 7 team, if necessary).
 - C. If two teams are not divisional opponents:
 - (1) Won-lost record of the two teams versus the No. 1 seed using common opponents only (and proceeding through the No. 12 seed, if necessary).
 - (2) Coin flip by the Commissioner
2. Three-Team Tie (or more). The following procedure will be used in the following order until the tie is broken: (Note: If the three tied teams have three different records against each other, they shall be seeded in best-percentage order.) Otherwise, once the tie has been reduced to two teams, the two-team tiebreaker procedure will be used.
 - A. If all three teams are common opponents: Total won-lost percentage of games played among the tied teams.
 - B. Won-lost percentage of the tied teams versus the No. 1 seed and proceeding through the No. 12 seed, if necessary, using common opponents only.
 - C. If three or more teams still are tied, the Commissioner will conduct a draw.

SEC Series Notes

LSU (12-9) at Alabama (9-12)

LSU has won the last four series and is 17-3-1 over the last 21 series since 2000 with a 47-21 lead in regular season games. The Tigers have won the last four series in Tuscaloosa, including sweeps in 2015 and 2017, while compiling a 10-4 series record at The Joe. Alabama's last series win came in Baton Rouge in 2016 and last won a home series in 2011. Between 1992-99, Alabama won five of the eight series.

LSU has won five of its last six SEC games and three of its last four series. The Tigers own a pair of league road series wins at Florida and Mississippi State. They are 8-4 in SEC play since starting 4-5 and sit at a dozen conference wins after seven weeks for the seventh time in the last 10 seasons.

Alabama limps into the series having dropped seven of its last eight SEC games after winning six straight. The Crimson Tide spent three of the last four weekends on the road, posting a 4-5 mark. They are 1-2 in home SEC series with a victory over Texas A&M. Alabama looks to snap a three-conference series losing streak.

Arkansas (14-7) at Auburn (12-9)

Arkansas has won the last three series and five of the last six since Auburn reeled off five consecutive series victories between 2010-14. The Razorbacks last swept the Tigers in Auburn in 2009, while its last sweep came in 2018. Auburn's last sweep came in back-to-back seasons in 2000 (Fayetteville) and 2001 (Auburn). It's been a tightly contested series with Auburn holding a 15-14 lead since 1992. However, the Razorbacks are 44-43 in regular-season games in that span.

Arkansas continued its home dominance with its 12th consecutive SEC home series victory last weekend over Ole Miss. The Razorbacks have been nearly as strong on the road, posting a 9-4 conference road series record over the last three seasons. They have dropped their last two road series. For the third straight season, Arkansas has posted at least 14 wins after seven weeks (15 in 2019 & 2021).

Auburn is 5-2 since starting 7-7 and has won its last two SEC home series, including a sweep over South Carolina two weeks ago. This is the third time since 2010, the Tigers have at least a dozen conference victories after seven weeks (12 in 2010, 14 in 2017). They have 14 SEC home series wins over the last five seasons.

Florida (8-13) at Mississippi State (9-12)

Mississippi State has won the last three series and four of the last five. The teams are meeting for the eighth time in the last 13 seasons after meeting annually between 1994-2007 when Florida won nine of the 13 series. The Bulldogs only sweep in the last 28 seasons came in 2018 in Starkville. The Gators own seven sweeps in that span with the last coming in 2015 at Dudy Noble Field.

Florida is coming off its third series victory and looks to improve upon its 3-6 SEC road record and snap a two conference road series losing skid. Its eight league wins are the fewest after seven weeks since it had six in 2006. After posting eight SEC road series wins in 2017-18, the Gators only have four in the last three seasons.

Mississippi State returns home after playing the last two weeks on the road and winners in two of its last three series. The Bulldogs own two SEC home series victories over Alabama and Auburn and are 19-9 in conference home series over the last six seasons. They sit at 9-12 in the standings for the second time in the last four seasons.

Vanderbilt (10-11) at Georgia (12-9)

Georgia has won the last two series after Vanderbilt won 10 consecutive series between 2009-2018, including three consecutive sweeps (2014-16). Ten of the last 29 series have resulted in sweeps: six by Georgia and four by Vanderbilt. The Bulldogs haven't won three straight series over the Commodores since sweeping the series between 2001-03.

Vanderbilt is 6-5 in its last 11 SEC games after starting 4-6. The Commodores snapped a four-conference series losing streak with a series win at Kentucky two weeks ago. This is the first time in the last nine seasons Vanderbilt has been below .500 in SEC play after seven weeks (9-12 in 2012).

Georgia returns home after playing three of their last four SEC series on the road, including the last two. The Bulldogs are 5-6 since starting 7-3 in league action. They

have two home series wins, including a sweep over Florida. This is the third time in the last four seasons Georgia has a dozen SEC wins after seven weeks.

Missouri (7-14) at Ole Miss (7-14)

These teams are meeting for the fifth time since Missouri joined the SEC in 2013 and first since 2019 in Columbia. The series is knotted at two apiece with each team winning twice on their home turf. The Rebels swept the Tigers in 2013 and own a 7-5 lead in regular season games.

Missouri has won its last three SEC home series by winning games two and three in each after dropping the series opener. Now they try to take that momentum on the road where they look to snap a nine-game conference losing streak and gain their first SEC road series win of the season.

Ole Miss is seeking to end an SEC series losing skid that has grown to four and improve upon its 1-8 conference home record this season. The Rebels have started well, winning five of seven conference series openers, but only have two wins in games two and three. The seven league victories are the fewest after seven weeks since Ole Miss posted four in 1997.

Tennessee (19-2) at Kentucky (7-14)

Tennessee has won the last three series after Kentucky won three straight between 2015-17, including two sweeps in Lexington. The Volunteers have won four consecutive series over the Wildcats since 1992-95. Tennessee last swept Kentucky in 2019 and owns six in the last 29 series. The Vols own a 17-12 series advantage since 1992, including an 8-6 mark in Lexington with a 49-38 in regular-season games.

Tennessee has won all seven series this season and puts its nine SEC road series win streak on the line this weekend at Kentucky. The Volunteers are undefeated in conference road games, going 9-0. They have won 10 consecutive SEC road games dating back to last season. Its next conference win will mark the fifth 20-win SEC season in school history and second straight. It won 20 in 1993, 24 in 1994, 22 in 1995 and 20 in 2021.

Kentucky looks to snap its five SEC series losing streak and reverse a trend that has seen it go 2-6 in its last eight conference games. The Wildcats own one league series victory over Georgia in week two. After winning 12 SEC home series between 2016-18, they have only three in the last three seasons.

South Carolina (9-12) at Texas A&M (12-9)

South Carolina has won three of the five series, including both series in Bryan-College Station in 2015 and 2018. The Aggies own the only sweep in the series in 2013 in Columbia. Since then, the teams have split the last four seasons with each winning twice on the other's home field.

South Carolina won its third SEC home series with a sweep over Alabama last weekend. Eight of its nine SEC wins have come at home. The Gamecocks have been swept twice in three conference road series (Tennessee and Auburn). They are seeking their third four-game SEC winning streak in their last 50 league games.

Texas A&M has won its last four series (2 at home, 2 on road), posting an 8-4 mark in that span since starting 4-5. The last time it won five in a row was 2017. The Aggies haven't swept an SEC opponent in their last 25 series. The last came at Kentucky in 2019. The last SEC home series sweep came in week five in 2018 against Alabama. The 12-9 SEC mark is its best since it was 13-8 in 2017. They are seeking to win their third conference home series for the fourth time since joining the SEC in 2013.
