Seeding

Teams shall be seeded based on winning percentage in regular season conference competition. Ties will be broken in the following manner:

1. Two-Team Tie. The following procedure will be used in the following order until the tie is broken:

- A. Won-lost results of head-to-head competition between the two tied teams.
- B. Won-lost percentage of the two teams against all common opponents
- C. Won-lost percentage of the two teams versus the highest seed using common opponents only (and proceeding through the last seed, if necessary)
- D. Best cumulative winning percentage of all Conference opponents
- E. Coin flip by the Commissioner.

2. Three-Team Tie (or more). The following procedure will be used in the following order until the tie is broken: (Note: If the three tied teams have three different records against each other, they shall be seeded in best-percentage order.) Otherwise, once the tie has been reduced to two teams, the two-team tiebreaker procedure will be used.

- A. If all tied teams are common opponents: Total won-lost percentage of games played among the tied teams.
- B. Won-lost percentage of the tied teams against all common opponents
- C. Won-lost percentage of the tied teams versus the highest seed using common opponents only, and proceeding through the lowest seed, if necessary. In the event of multiple ties, they shall be broken from first to last (e.g. a tie for first place will be broken before a tie for fourth place).
- D. Best cumulative winning percentage of all Conference opponents.
- E. If three or more teams still are tied, the Commissioner will conduct a draw.
