13.5.2.2 Automobile Transportation. If a prospective student-athlete travels by automobile on an official paid visit, the institution may pay round-trip expenses to the individual incurring the expense (except the prospective student-athlete's coach as set forth in Bylaw 13.8.1.2) at the same mileage rate it allows its own personnel. Any automobile may be used by the prospect, provided the automobile is not owned or operated or its use arranged by the institution or any representative of its athletics interests.

13.6.7.1.1 Meals and Lodging While in Transit. It is permissible for an institution to pay a prospective student-athlete's actual costs for reasonable expenses (e.g., meals, lodging) incurred while traveling to and from campus on the official visit. In basketball, an institution may pay the actual costs for meals and lodging for a prospective student-athlete's parents or legal guardians (expenses for up to two people) that are incurred while traveling to and from campus to accompany the prospective student-athlete on his or her official visit.

13.6.7.1.1.1 Meals and Lodging in Transit for Parents or Legal Guardians—FBS. In bowl subdivision football, an institution may pay the actual costs for meals and lodging for a prospective student-athlete's parents or legal guardians (expenses for up to two people) that are incurred while traveling to and from campus to accompany the prospective student-athlete on his official visit.

13.8.1.2 Transportation Reimbursement. An institution shall not reimburse a high-school, preparatory school or two-year college coach for expenses incurred in transporting a prospective student-athlete to visit the campus.
