Tailgating at the University of Arkansas is a cherished part of the Razorback game day tradition, but with the celebration comes responsibility. Please follow the policies below to ensure a wonderful home game experience.

The heart of tailgating at the University of Arkansas is The Gardens, located south of Donald W. Reynolds Razorback Stadium near Bud Walton Arena, as well as the many priority parking lots and green spaces surrounding the football stadium.

Please note that this Tailgating and Outdoor Space Use Policy and other University policies governing such activities are subject to review and revision or clarification as necessary. It is the responsibility of every person or group using University property on game day to be familiar with and abide by this policy and all applicable University policies.

POLICY PURPOSE
This policy is designed to achieve many important objectives, including ensuring the comfort and enjoyment of all game day patrons, enhancing the safety, security, and well-being of all staff responsible for game day activities, and safeguarding and preserving all University property and facilities. These policies apply to all University property on game days and as further described below.

PERMISSIBLE AREAS
Priority parking permit holders are permitted to tailgate in the areas surrounding the permit holder’s assigned priority parking lot. A priority parking permit does not provide access to park in UA parking lots prior to 5 p.m. on Friday and such parking is also subject to all restrictions and limitations printed on the parking permit.

Corporate/commercial tailgates, for which the sponsors display commercial- or business-related signage, banners, or marketing items or charge participants, require prior approval by the University of Arkansas. Reserved spaces for tailgating are available at the Gardens. Please contact the Razorback Foundation at (479) 443-9000 to receive appropriate approvals for tailgating in the vicinity of all athletic facilities or to purchase a reserved spot in The Gardens.

Tailgating for personal entertainment and non-commercial purposes is permitted throughout campus on game day, subject to all other provisions of this policy and other applicable University policies and upon advance approval by the University of Arkansas Facilities Management Department at (479) 575-3851.

Public parking and tailgating is permitted in the Baum Stadium East parking lot and does not require approval but is subject to all applicable University policies.

Bus parking will be on the south side of the Tyson Indoor Track Facility. Special bus parking arrangements may be made with the University of Arkansas Athletics Department and must be approved by the University Police and Transit and Parking Departments.

SIGNAGE AND BANNERS
Banners and signage recognizing businesses may not be displayed nor may promotional materials be distributed on any portion of the University’s campus without the prior approval of the University of Arkansas Athletics Department. However, subject to all other provisions of this policy, branded tents and awnings are permitted as long as the entity is not handing anything out (including food, merchandise or informational material) or soliciting business. University marks, logos or indicia of intellectual property are not to be used in conjunction with a corporation’s logo without prior approval from the University. Razorback Sports Properties (RSP) is the University’s multi-media rights holder, and RSP possesses the rights to game day signage. Accordingly, only companies that have corporate partnership agreements with UA Athletics/RSP may display their signage. Companies interested in more information on this subject should contact Razorback Sports Properties at (479) 575-6579.

POLITICAL ACTIVITY
Signage regarding political candidates or issues may not be displayed at tailgating locations nor may political materials be distributed on game day without a space reservation for such purpose by the University of Arkansas. Political tailgates, literature distribution, and canvassing for signatures are limited to designated locations. Contact the Athletics Marketing Office at (479) 575-3517, prior to game day for information on the approval process and permissible locations.

SOLICITATION
Due to the tax-exempt purposes of University property, business solicitation and fundraising on UA property are prohibited unless specifically approved by the University of Arkansas. Game day distribution of flyers or leaflets on parked vehicles is expressly prohibited. UA does not allow the sale or distribution of goods and services on the UA campus, except as permitted by applicable University policies and governing law.

NO SMOKING
As prohibited by state law and University policy, no smoking is permitted on University property at any time. This policy includes e-cigarettes. Citations may be issued with fines up to $150.

TENTS, AWNINGS AND SUPPLIES
Setting up tents, awnings, and similar equipment may commence at 5 p.m. on Friday before a game. If any football game is scheduled on a day of the week other than Saturday, please go to ArkansasRazorbacks.com on game week for potential policy changes for that game only. The items must be taken down and removed by 12 noon on the day immediately following game day. Tents must be secured with anchor weights. Stakes may not be used to anchor any tent or awning. Tents and awnings may not be chained to landscaping or signs.

Any such items that are set up outside of this timeframe or that collapse or are blown off their sites will be removed by the University, at the owner’s expense. The Campus Lost and Found, located at the Facilities Management Department, (479) 575-4494, may be contacted for information about how items may be recovered. Items not claimed within 60 days may be disposed of by the University at its discretion and without liability.

All vehicles must have a valid parking permit to enter any priority parking lots. Anyone leaving tailgating supplies unattended does so at their own risk. Drop-offs are not permitted on game day in any priority parking lot. Once you enter the lot and the stub on your parking pass is torn, you will not be permitted to re-enter the lot should you decide to leave for any reason.
**TAILGATING**

**TENTS**
- Size: 10’ by 10’ is the maximum size permitted without advance written permission from the University’s Facilities Management Department or the Athletics Marketing Office;
- Anchoring: In order for movement in an emergency and to avoid damage to pavement or the risk of hitting underground utility lines, tents cannot be staked to the ground. Tents must be secured with anchor weights.
- Parking lot: Must be set up in a location that does not take another fan’s parking space or in any way impede pedestrian or vehicle travel lanes.
- Sidewalks: Sidewalks must be left open for pedestrians. Grass area between parking stalls and sidewalks may be used for tailgating.
- Purpose: Tents must be for fan entertainment only and not for commercial purposes. No commercial business or display may be made without prior approval from University of Arkansas Athletics Marketing Office (479 575-4412).

**TRAILERS/VEHICLES**
Trailers are permitted in the reserved numbered parking spaces in lot 44 Grass, in the Gardens, and in lot 56 (with advanced reservation/notification via the Razorback Foundation at 479-443-9000). Tailgating trailers are prohibited in all other areas on campus. PODS and similar type storage boxes are prohibited.

Trailers and vehicles are prohibited from parking on the grass except in certain designated tailgating areas. If you have questions about designated areas approved for trailer parking in the lot in which you have a priority parking permit, please call the Razorback Foundation at (479) 443-9000. Driving or parking on soft or wet ground is prohibited.

Only licensed motor vehicles are allowed to park in university parking spaces. For example, even if an individual has two parking permits within a priority lot, one parking permit cannot be used for a trailer or cooker, except in designated areas. Only two licensed motor vehicles may park in such parking spaces.

To ensure the personal safety of campus visitors, only licensed motor vehicles may be used on the streets of the University of Arkansas campus. No non-university ATVs, personal tractors (on or off road), non-licensed utility vehicles, golf carts or any off-road vehicles are allowed anywhere on campus, including, but not limited to roadways, sidewalks and the grounds of the University. The rule of thumb is that only “street legal” vehicles may operate on the streets and roadways on the University of Arkansas campus. The only exceptions are utility vehicles used by the University of Arkansas or local law enforcement and emergency personnel for official purposes.

**PROHIBITED AREAS**
Tents, awnings, similar items, and tailgating activities of any kind are prohibited on several locations including campus sidewalks, intramural fields, student residential areas and landscape spaces that are not designated as “tailgating space” (see attached map). Tailgating activity that takes up vacant parking spaces or otherwise interferes with vehicle movement within a parking lot is prohibited. Tailgating around Priority parking lots will be limited to priority permit holders for that lot.

**FOOD, BEVERAGE AND TOBACCO USE**
Food and beverages shall be for personal consumption only. Sales are prohibited. Propane gas and charcoal grills with covers are permitted; provided, however, that the operator of any grill is responsible for its safe operation as well as for the proper clean up of any ashes. Hot coals may not be placed on the ground and ashes may not be left or dumped on campus property. Depending on environmental and fire risk conditions, the University may prohibit all grilling. Grilling and open flames are prohibited in all University of Arkansas parking garages.

The public display and consumption of alcoholic beverages is prohibited. The Clean Air on Campus Act of 2009 prohibits smoking on the University of Arkansas Campus. University policy prohibits the use of all tobacco products on campus. Each “tailgating party” is expected to dispose of their own trash and recyclables using the existing waste disposal and recycling units provided for by the University. This includes empty fuel containers. Charcoal must be disposed of properly. Please do not place charcoal or other flammables in trashcans, under trees or leave it in the parking areas.

**FACILITIES AND GENERATORS**
Hooking into, connecting to, or similar use of University utilities and/or television or communication cable services is prohibited. Use of generators and other electric generating equipment for tailgates is permitted; however, please take noise considerations into account with your operation of generators and portable sound systems for your fellow tailgaters. The University reserves the right to prohibit the use of any generator or sound system deemed disruptive to others.

The University will provide portable toilets at convenient locations around the grounds. Individuals, groups or businesses are prohibited from bringing or arranging the delivery of their own toilets.
New this year, there will be tents available for rental in The Gardens — sold in similar fashion that is utilized in Victory Village. There is no longer free tailgating locations available in The Gardens. For those who are looking for a free tailgating location, those locations will now be on the other side of the creek near the Basketball Performance Center.

Are other schools limiting bags?
Yes. All SEC institutions and many other Autonomy 5 institutions have implemented a clear bag policy for football.

How does the new policy improve public safety? The clear bag is easily searched and significantly reduces faulty bag searches. It also supports the Department of Homeland Security’s “If You See Something, Say Something” campaign.

What can I do to help get into the stadium more quickly?
Arrive early, know which items are prohibited and avoid bringing a bag, if at all possible. Also, enter the stadium through the gate indicated on your ticket. Gates open two hours prior to kickoff.

How many bags may each person bring into the stadium?
One large clear bag—either a one-gallon Ziploc style bag or the 12” x 6” x 12” clear bag—plus a small clutch (the size of the palm of your hand) that does not exceed 4.5” x 6.5”. The small clutch allows privacy for small personal items and is easily searched.

What about diaper bags?
Diapers and non-medically necessary items for babies and young children must be carried in an approved clear bag.

Do I have to put everything I’m carrying into the permissible bags?
No. Fans are limited only to the type of bags carried into the stadium, not items that they may normally bring to a game that fit in pockets or clutch bags (e.g., keys, makeup, feminine products, comb, phone, wallet, credit cards). Fans may carry a blanket over their arms, and binoculars and/or camera around their necks or in their hands without the case. Fans may also use the clear bag and clutch to carry these items and other permissible items. In all cases, carried items are subject to search.

May fans carry cameras, binoculars, smart phones or tablets separately from what they put in a clear bag?
Yes. A phone, tablet, binoculars or cameras may be carried independently into the stadium as long as it is not in its own bag. Fans may also place those items within their clear bag, as long as they are not contained in an additional container.

If I have certain items that I need to bring into the stadium for medical reasons and they won’t fit in the clear bag, what do I do?
Fans needing to carry a bag for required medical supplies or devices will need to go through the bag check line at their entry gate for a thorough screening of the bags and the medical items. The person requiring these supplies or devices must accompany the bag at all times. Medical exception bags will be tagged once cleared through security.

Are all purses prohibited?
No. Small clutch purses, with or without a handle or strap, that do not exceed 4.5” x 6.5” (the size of the palm of your hand), are permitted along with either the 12” x 6” x 12” clear tote bag or the one-gallon freezer bag. Fans are encouraged not to bring any bags, but the policy has been created to balance fan needs with improved public safety and convenience.

What about bringing blankets in cold weather?
Fans will be able to bring blankets by carrying them over a shoulder or arm or within an approved clear bag. However, blankets must be removed from the clear bag for security inspection.

Does this bag policy apply to credentialed individuals (e.g., media & working staff)?
Credentialed individuals will be permitted to bring bags that do not meet the policy guidelines. However, those bags will be searched at specifically designated gates prior to entry. Only bags that pass the inspection will be allowed into the stadium.

What happens if I show up at the gate with a bag that is not permitted?
Fans carrying bags that do not comply with the Clear Bag Policy will be asked to return their bags to their vehicle and transfer their belongings to an approved clear bag before entering the stadium.

May I leave a bag or unwanted items outside the Stadium rather than returning them to my vehicle?
No, the University of Arkansas is not responsible for any item left outside the stadium gates upon entry. For security reasons, fans should expect that items left outside the stadium will be removed and discarded.

Can I bring a non-clear bag if it fits inside the approved clear bag?
No. The only permitted non-clear bags are small clutches no bigger than 4.5” by 6.5”. Clutches, purses and wallets larger than 4.5” by 6.5” are prohibited. You may transfer the contents of a non-approved bag that is larger than 4.5” by 6.5” into an approved clear bag to bring into the stadium, but you may not place the entire non-permissible bag itself into a clear bag.

Have any of the prohibited items changed as well, along with this new bag policy?
Yes, the Prohibited Items list is reviewed annually and updated to remain current with the changing trends in fan safety and security. For a complete list of permissible and prohibited items, visit the Arkansas Razorback Football Fan Guide at ArkansasRazorbacks.com.

Will this policy affect the ability of fans to tailgate? Are there limitations on tailgating items?
No. The Clear Bag Policy does not pertain to tailgating areas. For complete information on tailgating, visit ArkansasRazorbacks.com Game Day Information Page.

A MASCOT LIKE NO OTHER

The wild hogs known as razorbacks native to the Arkansas wilderness bear no resemblance to the typical barnyard pig of today. The untamed razorback hog was a lean, feral animal that was ill-tempered. It fought and defeated anything that crossed its path, man or beast. Turn of the 20th century outdoor magazines lauded the razorback as “the most intelligent of all the hogs and is likewise the most courageous. . . . He has a clear, farseeing eye.”

Except for the rare sighting in the Australian Outback, the Razorback only exists today in the form of Arkansas’ players and fans. A Russian boar, which closely resembles the wild hog of Hugo Bezdek’s day, currently serves as the official live mascot.

Tusk IV is cared for by the Stokes family of Dardanelle, Ark., and travels to home games and special events for the Razorbacks. Tusk III is supported by the legacy program known as the Tusk Fund, and fans can participate by sending their support care of the Razorback Foundation, Inc. Tusk III made his debut in 2010 after the unexpected passing of his brother, Tusk II, following Arkansas’ AutoZone Liberty Bowl win over ECU in January. Tusk IV joined the public life at the start of the 2011-12 season.

While yearbook references as early as 1914 of a hog on the sideline at football games, a formal live mascot prior to the Tusk line dates back to the 1960s with a series of hogs that represented Arkansas. In addition to appearances at games, they have gained a reputation for fierce behavior.

Big Red III escaped from an exhibit near Eureka Springs in the summer of 1977 and ravaged the countryside before being gunned down by an irate farmer. Another live mascot, Ragnar, was a wild hog captured in south Arkansas by Leola farmer Bill Robinson. Before Ragnar’s spree was done, the mighty animal had killed a coyote, a 450-pound domestic pig and seven rattlesnakes. Ragnar died in 1978 of unknown causes.

THE HOG HAT

It is true; no Razorback fan’s closet is complete without an official Hog Hat. The original style was a hard plastic hat with a long snout, rough razorback ridges across the top and wickedly sharp, pointed curly-cue tail. The modern versions are often sculpted from softer material. Regardless, the Hog Hat is undoubtedly the most recognized piece of fan apparel in college athletics. Just ask ESPN GameDay’s Kirk Herbstreit as he dons the traditional Hog Hat. Hog Hats are available for sale at Hog Heaven.
RUNNING THROUGH THE “A”
For Razorback football players, there is nothing to compare with entering the stadium for a home Arkansas game. The emotion of running through the “A” stays with a player for life.

Loyd Phillips won the Outland Trophy more than three decades ago. The veteran of the 1964 national championship team, Phillips remembers it like it was yesterday.

“The butterflies are flowing and you are [running], but it doesn’t feel like your feet are even touching the ground,” the 1966 Outland winner recalls.

Two-time Doak Walker Award winner and two-time Heisman runner-up Darren McFadden agrees.

“It is hard to describe the feeling you get as a Razorback player right before you take the field for a game,” McFadden said. “You can hear more than 70 thousand fans calling the Hogs and can feel the excitement building. I will always remember that special feeling of running through the ‘A’.”

The Razorback Marching Band sets the stage by forming a huge “A” as they march the length of the field playing Arkansas Fight. When they finish, the “A” stretches from the Razorback locker room to midfield. To the roar of the crowd and the band blasting out Arkansas Fight, the current Razorbacks run onto the field through the “A,” connecting them to generations of previous men in the Cardinal and White.

“Just to be able to run through that ‘A’ and hear the fans cheer for you is unbelievable,” 1989 All-American offensive tackle Jim Mabry said. “To sit in the stands now, I still get chill bumps every time the band starts playing and I see the guys running out.”

A PROPER HOG CALL
A chant of “Woo Pig Sooie” is known worldwide as a Hog Call. Just like any good tradition, there are lots of versions of the Hog Call (even spellings).

A properly executed Hog Call is composed of three “calls,” slowly raising one’s arms from the knees to above the head during the “Woo.” Tradition- as prescribe an eight second “Woo.” The fingers should be wiggled and the “Woo” should build in volume and pitch as the arms rise. Upon completion of the “Woo,” both arms are brought straight down with fists clinched as if executing a chin-up while yelling, “Pig”. The right arm is extended up and out with the “Sooie.”

A full Hog Call -- the kind one will always hear victorious Razorback teams execute after contests -- requires two more Hog Calls, followed immediately by a “Razor-Backs” yell, coordinated with a pumping motion of the right arm after the third “Sooie.” So, in order, the full Hog Call is:

Woooooooo. Pig. Sooie!
Woooooooo. Pig. Sooie!
Woooooooo. Pig. Sooie!
Razorbacks!
ARKANSAS FIGHT
One of the first tasks of a new Razorback is learning to sing the University of Arkansas fight song, Arkansas Fight was written in the late 1920s. It is a unique tune, fitting of the only college in America with a Razorback mascot. Several other colleges have adapted the tune, but the lyrics remain unique to Arkansas.
Hit that line! Hit that line!
Keep on going!
Take that ball right
down the field!
Give a cheer. Rah! Rah!
Never fear. Rah! Rah!
Arkansas will never yield!
On your toes, Razorbacks,
to the finish,
Carry on with all your might!
for Arkansas!
Fight! Fight! Fi-i-i-ight!

RAZORBACK SPIRIT SQUADS
Along with being a Razorback, serving as a Razorback cheerleader has a long tradition at the University of Arkansas. Currently, the Razorbacks have two squads, a Red and White, that inspire the crowds at all home sporting events.
Arkansas also has a dance team, the Razorback Pom Squad, which performs at halftime of many events. Members of the Pom Squad also serve at baseball games as RBI Girls. Arkansas has a team of uniformed mascots, led by the original Big Red, the Fighting Razorback. Sue E. joined the family along with kid-sized Pork Chop in the late 1990s. Boss Hog is a 9-foot-tall inflatable mascot that rounds out the team.
Brooke Bailey serves as the coordinator for cheerleaders and mascots. For more information on the cheer squads and tryouts, go to the Spirit Squad section of ArkansasRazorbacks.com.

THE UA ALMA MATER
Brodie Payne and Henry Tovey wrote the University of Arkansas Alma Mater in the early 1900s. They were inspired by the Ozark Mountain sunrise as it illuminated Old Main.

Pure as the dawn on the brow of thy beauty, Watches thy Soul
from the mountains of God.
Over the fates of thy children departed,
Far from the land
where their footsteps have trod.
Beacon of hope in the ways dreary lighted,
Pride of our hearts that are loyal and true.
From those who adore unto one who adores us,
Mother of Mothers, we sing unto you.
