SEC Network has proven time and again that it is one of the most successful launches by a network in all of cable television. It placed the Southeastern Conference, its member institutions and sports teams on an international stage with brand recognition in every corner of the country and around the globe.

That was the vision when the SEC and ESPN signed a 20-year agreement through 2034 to create and operate a multi-platform network, which launched on Aug. 14, 2014. The network and its accompanying digital platform, SEC Network+, carries SEC live events and programming 24/7.

Complementing the volume of network-produced programming, all 14 schools built state-of-the-art control rooms and purchased HD camera equipment to provide the same quality coverage for events that viewers have been accustomed to for years across ESPN networks.

These school-produced events are made available exclusively through the ESPN App as part of SEC Network+ on connected devices, allowing fans to watch their favorite teams anytime, anywhere.

SEC Network has also become known for its signature studio show, SEC Now, its traveling weekly football pregame show, SEC Nation, and of course, The Paul Finebaum Show, which welcomes callers and guests to share their thoughts on topics surrounding the SEC. On top of the network's wall-to-wall coverage of Saturday SEC football, SEC Network boasts additional football-focused studio shows in the fall: SEC This Morning and Marty & McGee, as well as food and culture favorite, TrueSouth.

THIS IS SEC FOOTBALL

- Sixteen times in the last 19 seasons, a team from the SEC has advanced to the national championship game. The SEC has won 13 of those contests, with two of the losses coming in the game's final seconds. The winner of the SEC Championship Game has advanced to the National Championship Game all but three times since 2006.
- With Florida in January 2009, five different teams from the SEC (Alabama, Auburn, Florida, LSU, Georgia) have played for and won the national championship in the last 15 seasons. All five have multiple appearances and at least one victory since in the national championship game since 2007.
- The SEC won four consecutive CFP National Championships, by three different programs (LSU, Alabama, Georgia), from 2019-2022.
- Not counting games versus each other, the SEC is 16-7 all-time in College Football Playoff games, playing in eight of the 11 CFP Championship Games (winning six of those eight). The SEC is 10-3 in CFP Semifinals, including a streak of 10 consecutive semifinal wins from 2015-2022.
- Since 2006, the SEC has posted a 35-18 (.660) record in BCS/CFP games, more wins, appearances, and winning percentage than any other A4 conference.
- The Southeastern Conference led the nation yet again in 2024 with 439 former players on opening weekend 53-man active rosters, including injured reserve.
- A total of 35 former SEC players were on active rosters of Super Bowl LVI between the Kansas City Chiefs and the Philadelphia Eagles.
- The SEC is 122-78 (.610) in bowl games since 2006, the only FBS league with a .600 or better winning percentage and nearly 40 wins more than the next closest conference.
- The SEC has now won 73 games in the last nine postseasons and has sent no less than eight teams to post-season bowls in each of the last 18 seasons.
- In the 11 seasons of the College Football Playoff era, only nine programs nationally have been ranked No. 1 in the weekly CFP Top-25 Poll (which begins in late October each year) – five of those nine programs (Alabama, Georgia, LSU, Mississippi State, Tennessee) are from the SEC. Prior to 2023, no team outside the SEC had been ranked No. 1 in the weekly CFP Poll since 2019, while four schools from the SEC were ranked No. 1 during that time.
- With Georgia and Alabama both earning victories in the CFP Semifinals in both 2021 and 2017, the national championship game has featured two SEC teams twice in the last eight years and three times since the 2011 season.
- The SEC Championship has been the most watched conference championship nationally for 16 of the past 17 seasons, including 12 in a row from 2008-2019. The only year it was not #1 was 2020 when the SEC did not have a traditional schedule due to the pandemic.
- The 2024 SEC Championship Game averaged 16.6 million viewers across ABC and ESPN, the fourth-largest audience on record for the game. The overtime win for Georgia, which peaked with 19.7 million viewers, delivered the largest audience of the college football season — surpassing the previous high set by the regular season matchup between the same two teams. Overall, the SEC title game last season delivered the third-largest regular season college football audience ever on the ESPN family of networks.
- The SEC finished the 2024 season as the most-watched conference in college football based on total minutes consumed for a third-straight year. The SEC was also #1 in average audience for the 14th consecutive year. The SEC on ABC accounted for more than two-thirds of the 50 most-watched games in the 2024 regular season.
- The SEC received 105 of the total NFL Combine invites in 2024 - which accounted for nearly one third of the national total.

**2025 Media Days Preseason Poll**

Texas was predicted to win the 2025 SEC Championship, according to a preseason poll of media covering SEC Football Media Days.

The Longhorns received 96 votes to be crowned SEC Champion on December 6 in Atlanta at Mercedes-Benz Stadium, with Georgia being picked to be the Texas’ opponent in a rematch of the 2024 SEC Championship Game. Georgia received 44 votes to win the SEC Championship.

The participants of the SEC Championship Game will be determined during the regular-season conference schedule as the teams with the two best overall SEC winning percentages.

Only 10 times since 1992 (33 years) has the predicted champion prior to the season at SEC Media Days proceeded to win the SEC Championship Game.

## SEC FOOTBALL BOWL AGREEMENTS

The Southeastern Conference has six-year agreements with nine football post-season bowls. The nine bowls are in addition to bowl games in the College Football Playoff system for which SEC teams are eligible to qualify.

The SEC has its current agreements through 2025 with the Cheez-It Citrus Bowl in Orlando, the ReliaQuest Bowl in Tampa, the TaxSlayer Gator Bowl in Jacksonville, the Music City Bowl in Nashville, the Kinder's Texas Bowl in Houston, the AutoZone Liberty Bowl in Memphis, the JLab Birmingham Bowl and the Union Home Mortgage Gasparilla Bowl.

In addition, the SEC will continue its relationship with the Duke's Mayo Bowl in Charlotte, participating in that bowl game in 2025.

The SEC will maintain its current bowl selection process in which the Citrus Bowl has the first selection of available SEC teams after any conference schools have qualified for the College Football Playoff after which the SEC assigns teams to a Pool of Six bowl. The SEC Pool of Six consists of the ReliaQuest Bowl, TaxSlayer Gator Bowl, Liberty Mutual Music City Bowl, Kinder's Texas Bowl and Autozone Liberty Bowl, as well as the SRS Distribution Las Vegas Bowl in 2024, and the Duke's Mayo Bowl in 2025.

In consultation with SEC member institutions, as well as these six bowls, the conference will make assignments for the bowl games in the pool system. ESPN Events selects teams to participate in the JLab Birmingham and Union Home Mortgage Gasparilla Bowls after the Pool of Six have been assigned.

## 2025-26 College Football Playoff

- The ranking of the teams will continue to be done by a selection committee.
- A new policy in 2025 will guarantee the five highest-ranked conference champions a place in the Playoff, but will no longer include a bye for the four highest-ranked champions. The 12-team bracket will now be seeded directly based on the final ranking of the CFP Selection Committee, with the four highest-ranked teams receiving a first-round bye. If one or more of the five highest-ranked conference champions are ranked outside the top 12, that team or teams would move up to the 12th seed, 11th seed, etc., based on the number of conference champions outside the top 12.
- The teams ranked Nos. 5-12 will play in the CFP First Round with the higher seeds hosting the lower seeds either on campus or at other sites designated by the higher-seeded institution (No. 12 at No. 5, No. 11 at No. 6, No. 10 at No. 7 and No. 9 at No. 8).
- The four highest-ranked teams will be assigned to Playoff Quarterfinals bowls on Selection Day in ranking order and in consideration of current contract bowl relationships (for example: if the highest-ranked team is from the Big Ten, that team would be assigned to the Rose Bowl Game).
- The College Football Playoff bracket will follow the selection committee's rankings, with no modifications made to avoid rematches between teams that may have played during the regular season or are from the same conference.
- The bracket will remain in effect throughout the playoff (i.e., no re-seeding).
- The No. 1 seed would receive preferential placement based on geography for the Playoff Semifinal site assignment.
- All 11 games will be under the CFP umbrella with the administrative policies determined by the CFP.

### SEC SUCCESS SINCE 2006

During the last 19 seasons (2006-24), Southeastern Conference football has experienced success that is unparalleled in its football history and in the history of college football. During this tenure, the SEC's achievements have been demonstrated by:

- Triumphs in major bowl games, including the National Championship Game
- Non-conference success in regular season and bowl games
- Defeating highly-ranked non-conference teams
- Success in the polls and rankings
- Individual awards and All-America Teams
- Academic and Community Service Standouts
- Continued accomplishments of former SEC student-athletes in the NFL and NFL Draft

### SEC IN THE CFP/BCS ERA (Since 1998)

• The SEC has won 13 of the last 19 national championships, 15 of the 27 BCS/CFP-era National Championships, six runner-up finishes and 29 overall national titles (CFP, AP, BCS, FWA, Coaches Poll) in SEC history. The SEC has appeared in 16 of the last 19 National Championship Games and in 10 of the 16 BCS Championship Games, winning nine.

• Five different SEC schools have won the National Championship since 2006 (Auburn, 2010; Alabama, 2009, 2011, 2012, 2015, 2017, 2020; Florida, 2006, 2008; LSU, 2007, 2019; Georgia, 2021, 2022). Five programs have advanced to the national championship game since 2013. Tennessee (1998) has also won the former BCS crown. Auburn appeared in the 2013 BCS Championship Game, as did LSU in 2011, Georgia in 2017 and Alabama in 2021. A team from the SEC Western Division had advanced to five consecutive national championship games prior to the 2014 season, when Alabama lost in the CFP semifinals. The ACC (Clemson, Miami and Florida State) and Big Ten (Michigan, Ohio State) has seen three schools win titles since 1998, while the current Big 12 has none.

• Since 2006, over half of the slots in the National Championship Game have been taken by SEC teams (19 of 38). The Big Ten has six during that time, the ACC has four, while the Big 12 and Pac-12 has three.

• The SEC has had more teams ranked in the BCS/CFP standings than any other conference since 2006. The league has had 15 of its 16 teams ranked at one time or another since 2006. Vanderbilt is the only team to not appear in the BCS/CFP rankings during this time, however, the Commodores finished ranked in the Top 25 in both 2012 and 2013 after bowl games with 9-4 records. The BCS/CFP does not produce a poll following bowl games. The Commodores were also ranked in the AP/Coaches Poll in 2024 two weeks prior to the first CFP poll of 2024.

• Since 2006, the SEC has posted 35 wins in BCS/New Year's Six/Access bowls - more wins than any other conference.

• Six of the top 10 defensive performances in CFP/BCS history have been registered by SEC teams, more than any other conference. Alabama's shutout of LSU in the 2012 BCS National Championship Game was the first shutout in CFP/BCS history. Alabama defeated Michigan State soundly 38-0 in a CFP National Semifinal in 2015, while defeating Washington 24-7 in 2016 semifinal contest. Alabama dominated Clemson in the 2018 Sugar Bowl Semifinal, holding Clemson to just 188 yards, well short of their average 448 yards per game. In the 2021 CFP Semifinal, Alabama defeated Cincinnati 27-6, holding the Bearcats to 218 yards and a pair of field goals. Georgia's 65-7 victory over TCU in the 2022 national championship game, the Bulldogs held TCU to 188 total yards and nine first downs. Georgia's 63-3 defeat of Florida State in the 2023 Orange Bowl was the largest margin of victory in the entire history of postseason bowls, holding FSU to only 209 yards.

• The SEC has now won 73 games in the last nine postseasons. With 12 teams advancing to bowl games in 2016, the SEC became the first conference to send at least 10 teams to postseason bowls in four consecutive seasons. The SEC sent a (then) NCAA-record 12 teams to participate in postseason bowl games in 2014 and has sent no less than eight teams to post-season bowls in each of the last 17 seasons. The SEC established a national-record with nine postseason victories in 2015 and owned the previous record for postseason bowl victories with seven wins in 2007, 2013 and 2014. The SEC qualified a record 13 teams for postseason bowls in 2021 and finished 7-2 in the 2020 postseason, with all seven wins coming against Top-25 competition - the most in history for the conference. The SEC again sent 13 teams to postseason in 2024.

• The SEC is 122-78 (.610) in bowl games since 2006, the only Autonomy Five league with a .600 or better winning percentage and nearly 40 wins more than the next closest conference.

### SEC vs. OTHER CONFERENCES

• Since 2006, the SEC has posted the highest non-conference winning percentage (regular season & bowls) than any other conference. The league has a 927-232 record, an 80.0 winning percentage. The SEC has won no less than 43 non-conference games (regular season & bowls) during the last 19 seasons (2006-2024). Last season (2024), the SEC was 63-16 (.797), including bowl games.

### SEC IN FINAL RANKINGS

• Since 2006, the SEC has had the most teams ranked in the final USA Today Coaches Poll. The conference has had 106 teams ranked in the final USA Today rankings during that span, including seven in 2024.

• The SEC has either led or tied for the lead with the most teams ranked in the USA Today Top-25 for 17 of the last 19 seasons.

### THIS IS SEC FOOTBALL

• Sixteen times in the last 19 seasons, a team from the SEC has advanced to the national championship game. The SEC has won 13 of those contests, with two of the losses coming in the game's final seconds. The winner of the SEC Championship Game has advanced to the National Championship Game all but three times since 2006.

• With Florida in January 2009, five different teams from the SEC (Alabama, Auburn, Florida, LSU, Georgia) have played for and won the national championship in the last 15 seasons. All five have multiple appearances and at least one victory since in the national championship game since 2007.

• The SEC won four consecutive CFP National Championships, by three different programs (LSU, Alabama, Georgia), from 2019-2022.

• Not counting games versus each other, the SEC is 16-7 all-time in College Football Playoff games, playing in eight of the 11 CFP Championship Games (winning six of those eight). The SEC is 10-3 in CFP Semifinals, including a streak of 10 consecutive semifinal wins from 2015-2022.

• Since 2006, the SEC has posted a 35-18 (.660) record in BCS/CFP games, more wins, appearances, and winning percentage than any other A4 conference.

• The Southeastern Conference led the nation yet again in 2024 with 439 former players on opening weekend 53-man active rosters, including injured reserve.

• A total of 35 former SEC players were on active rosters of Super Bowl LVI between the Kansas City Chiefs and the Philadelphia Eagles.

• The SEC is 122-78 (.610) in bowl games since 2006, the only FBS league with a .600 or better winning percentage and nearly 40 wins more than the next closest conference.

• The SEC has now won 73 games in the last nine postseasons and has sent no less than eight teams to post-season bowls in each of the last 18 seasons.

• In the 11 seasons of the College Football Playoff era, only nine programs nationally have been ranked No. 1 in the weekly CFP Top-25 Poll (which begins in late October each year) - five of those nine programs (Alabama, Georgia, LSU, Mississippi State, Tennessee) are from the SEC. Prior to 2023, no team outside the SEC had been ranked No. 1 in the weekly CFP Poll since 2019, while four schools from the SEC were ranked No. 1 during that time.

• With Georgia and Alabama both earning victories in the CFP Semifinals in both 2021 and 2017, the national championship game has featured two SEC teams twice in the last eight years and three times since the 2011 season.

• The SEC Championship has been the most watched conference championship nationally for 16 of the past 17 seasons, including 12 in a row from 2008-2019. The only year it was not #1 was 2020 when the SEC did not have a traditional schedule due to the pandemic.

• The 2024 SEC Championship Game averaged 16.6 million viewers across ABC and ESPN, the fourth-largest audience on record for the game. The overtime win for Georgia, which peaked with 19.7 million viewers, delivered the largest audience of the college football season - surpassing the previous high set by the regular season matchup between the same two teams. Overall, the SEC title game last season delivered the third-largest regular season college football audience ever on the ESPN family of networks.

### SEC INDIVIDUAL AWARDS AND ALL-AMERICANS

• In the 31 individual awards, the SEC has had at least one recipient in all of them since 2006.

• Since 2006, SEC football student-athletes and coaches have won 152 major individual awards, an average of eight per year. The league won 10 awards in 2008, 12 individual honors in 2020 and 2010 an all-time high 15 in 2019.

• The SEC has won a national player of the year 12 times with 11 different players since 2007— Darren McFadden, Arkansas, and Tim Tebow, Florida; Tebow in 2008; Mark Ingram, Alabama, in 2009; Cam Newton, Auburn, in 2010; Johnny Manziel, Texas A&M, in 2012; Derrick Henry, Alabama, in 2015; Tua Tagovailoa, Alabama, in 2018; Joe Burrow, LSU, in 2019, DeVonta Smith, Alabama, in 2020; Bryce Young, Alabama, in 2021; Jayden Daniels, LSU, in 2023. The SEC did not have a national player of the year in 2011, 2013, 2014, 2016, 2017 or 2022. Three of the Heisman finalists in 2013 were, however, from the SEC, as well as one of three in 2014.

## SEC CHAMPIONSHIP GAME

### 2025 SEC CHAMPIONSHIP GAME

The Southeastern Conference's top two teams in the regular season standings will meet in Atlanta's Mercedes-Benz Stadium to battle for the league championship and the right to represent the conference in the College Football Playoff. The 34th-annual title game is set for December 6 and will be televised nationally by ABC.

The game was born as a result of 1992 conference expansion, which saw Arkansas and South Carolina become the first members added in SEC history. Under NCAA regulations, a conference with 12 members may play an additional football game to determine its champion, provided the regular season is played in divisions.

The participants of the game will be determined during the eight-game regular-season conference schedule as the teams with the two best overall SEC winning percentages.

The SEC Championship has been the most watched conference championship nationally for 16 of the past 17 seasons, including 12 in a row from 2008- 2019. The only year it was not No. 1 was 2020 when the SEC did not have a traditional schedule due to the pandemic.

The 2024 SEC Championship Game averaged 16.6 million viewers across ABC and ESPN, the fourth-largest audience on record for the game. The overtime win for Georgia, which peaked with 19.7 million viewers, delivered the largest audience of the college football season — surpassing the previous high set by the regular season matchup between the same two teams. Overall, the SEC title game last season delivered the third-largest regular season college football audience ever on the ESPN family of networks.

The 2009 SEC Championship Game earned an 11.8 rating and a 24 share, marking the highest-rated SEC Championship Game in history. The game matched the No. 1 Florida Gators (12-0) vs. the No. 2 Alabama Crimson Tide (12-0).

The SEC Championship Game has drawn 31 capacity crowds in its 33-year history. Only 1993 (Birmingham) and 1995 (Atlanta) were not sellouts.

The SEC, along with AMB Sports & Entertainment (AMBSE) and the Georgia World Congress Center Authority (GWCCA), have an agreement to host the SEC Championship Game at Mercedes-Benz Stadium in Atlanta through 2031. The new agreement allows the SEC the option of adding a five-year extensions through 2036. The Georgia Dome hosted the SEC Championship Game for 23 years beginning in 1994, with capacity crowds in the last 22 consecutive years. By the end of the new agreement, including options, the Championship will have been played in Atlanta a total of 43 years.

### SEC FOOTBALL TIE-BREAKING PROCESS

In the event of a tie between teams competing for a place in the Conference championship game, the following procedures will be used in descending order until the tie is broken:

\* Head-to-head competition among the tied teams

\* Record versus all common Conference opponents among the tied teams

\* Record against highest (best) placed common Conference opponent in the Conference standings, and proceeding through the Conference standings among the tied teams

\* Cumulative Conference winning percentage of all Conference opponents among the tied teams

\* Capped relative total scoring margin versus all Conference opponents among the tied teams

\* Random draw of the tied teams

If the regular season standings determine a clear Conference champion and two or more teams are tied for second place, the Conference champion will be the home team in the Championship Game and the tiebreaking procedures will be used to determine its opponent.

If a tiebreaker step produces standings with two teams tied for first place in the Conference, both will qualify for the championship game. To decide the seeding of the two teams, both will progress through the two-team tiebreaker procedures until the tie is broken, which will determine home/away designation for the SEC Championship Game.

The 2025 SEC Championship Game will be held on Saturday, Dec. 6, at Mercedes-Benz Stadium in Atlanta, Ga.

Complete tiebreaker procedures and examples can be found at

## SEC CHAMPIONSHIP GAME

### SEC CHAMPIONSHIP GAME RACE RECAPS

1992 - Both races decided before final weekend. Florida and Georgia (6-2 in the SEC) were co-champions in the Eastern Division. The Gators won the tie-breaker by virtue of a 26-24 win over the Bulldogs earlier in the season. Alabama (8-0) was the outright Western Division champion, even with a game against Auburn in the final weekend, which the Tide won, 17-0.

1993 - Both races decided before final weekend. Florida won the Eastern Division and Alabama won the Western Division. The Gators finished 1/2 game ahead of Tennessee (UT tied Alabama, 17-17). Alabama, at 5-2-1, finished two games ahead second-place Arkansas. Auburn was 8-0 in the SEC, but was ineligible for the conference title.

1994 - Both races decided before final weekend. Florida won the Eastern Division, finishing SEC play at 7-1, two games ahead of Tennessee. Alabama won the Western Division with an 8-0 SEC mark, three games ahead of Miss. State.

1995 - Both races decided before final weekend. Florida won the Eastern Division, finishing SEC play at 8-0, one game ahead of Tennessee. Arkansas won the Western Division with a 6-2 SEC mark, one game ahead of Auburn and Alabama.

1996 - Both races decided before final weekend. Florida won the Eastern Division, finishing SEC play at 8-0, one game ahead of Tennessee. Alabama won the Western Division with a 6-2 SEC mark, tying LSU. However, the Tide defeated the Tigers, 26-0, earlier in the year to win the tie-breaker.

1997 - Eastern Division race not finalized until after the final weekend. Tennessee defeated Vanderbilt, 17-10, to win the division on the final weekend. Tennessee, at 7-1 in the SEC, finished one game ahead of Georgia and Florida. Auburn had won the Western Division with a 6-2 SEC mark, tying LSU. However, Auburn defeated LSU, 31-28, earlier in the year to win the tie-breaker.

1998 - Western Division race not finalized until after the final weekend. Miss. State defeated Ole Miss, 28-6, on Thanksgiving night, to win division on final weekend. Arkansas and Miss. State finished in tie for the division title. However, Miss. State defeated Arkansas, 22-21, earlier that season to win the tie-breaker. Arkansas defeated LSU 41-14 on the final weekend, but when State defeated Ole Miss, the chase for the Championship Game had been won. Tennessee had clinched the Eastern Division before the final weekend and defeated Vanderbilt, 41-0, to finished the SEC at 8-0.

Auburn won the Western Division with a 6-2 SEC mark, one game ahead of LSU. LSU lost to Arkansas in the final weekend, 14-3. Even if the Tigers would have beaten the Razorbacks, Auburn would have won the tie-breaker over LSU due to a 34-17 win earlier in the season.

2001 - Both races go down to the final weekend. Due to game postponements on Sept. 15, games were reschedule for Dec. 1. On that weekend, Tennessee defeated Florida, 34-32, in Gainesville, and LSU defeated Auburn, 27-14, in Baton Rouge, to clinch berths in the SEC Championship Game. The Vols won the East with a 7-1 mark while LSU had a 5-3 mark and tied with Auburn for the West, but won the head-to-head tiebreaker.

2002 - Western division race not finalized until after the final weekend. Georgia clinched the Eastern Division championship on Nov. 16 after defeating Auburn, 24-21, in Auburn. The 7-1 Bulldogs finish one game ahead of Florida, which was 6-2. Arkansas wins the Western Division on the season's final weekend, defeating LSU, 21-20, in Little Rock on Nov. 29. The Razorbacks, LSU Tigers and Auburn Tigers are tied at 5-3 but Arkansas wins the head-to-head tiebreakers.

2003 - Both races decided on final weekend. Tennessee defeats Kentucky, 20-7, to force a three-way tie for Eastern Division championship between Vols, Georgia and Florida. Using tie-breaker involving the BCS standings, Georgia has the highest BCS ranking and has defeated Tennessee (next highest ranking) during regular season to secure SEC Championship Game berth. LSU defeats Arkansas, 55-24, and Ole Miss beats Mississippi State, 31-0, to force a tie for the Western Division championship. LSU's 17-14 win over Ole Miss the week before earns the Tigers the Western Division berth.

2004 - Auburn clinches berth in the SEC Championship Game on Oct. 30, tying the earliest since the game began in 1992 (Alabama, 1993). The Tigers (8-0) finish two games ahead in the standings of second-place LSU (6-2). Tennessee clinches berth as Eastern Division representative with 38-33 win against Vanderbilt on Nov. 20. The Vols (7-1) would win their next game on the following weekend against Kentucky to claim the division title outright. Georgia was second in the Western Division with a 6-2 mark.

2005 - Georgia (6-2) clinched Eastern Division Championship with a 45-13 win over Kentucky on Nov. 19. The Bulldogs finish one full game ahead of South Carolina and Florida in the standings. LSU clinched Western Division title with a 19-17 win over Arkansas on Nov. 25. The Tigers finished tied for the Western Division title (7-1), but defeated Auburn, 20-17, on Oct. 22, to win the tie-breaker.

2024 SEC FOOTBALL CHAMPIONSHIP GAME

2024 SEC CHAMPIONSHIP GAME

The 32nd annual SEC Football Championship Game was played on Dec. 7 at Mercedes-Benz Stadium in Atlanta, with No. 5 Georgia defeating No. 2 Texas 22-19 in overtime. This was the first overtime in the history of the SEC Championship Game. The SEC Champion has now advanced to the Playoff each year since its inception.

Gunner Stockton, a little-known backup who had barely played for Georgia, came off the bench after an injury to Carson Beck and led the Bulldogs to an improbable win in the SEC Championship.

The Bulldogs (11-2) won their third SEC title under coach Kirby Smart, but the trophy comes with an even bigger prize - a first-round bye in the new 12-team College Football Playoff.

Georgia came into the game ranked fifth by the CFP, but now it is assured of playing in the Sugar Bowl quarterfinal game on New Year's Day in pursuit of its third national title in four seasons.

Texas (11-2, No. 2 CFP ) was denied an SEC title caper on its first season in the league and will host a first-round game on either Dec. 20 or 21. Both of its losses have been to the Bulldogs, who prevailed 30-15 when the powerhouse programs met in Austin during the regular season.

Stockton, a third-year sophomore, had played only six games in his college career - all of them mere mop-ups of blowout wins. He guided the Bulldogs to a touchdown and two field goals before taking a hard hit on a run in overtime that sent his helmet flying.

Beck, who could barely lift his arm, came back in the game for first-and-goal at the 4. All he had to do - and could do, it appeared - was hand off to Trevor Etienne, who powered into the end zone to end the first overtime game in the SEC championship's 33-year history.

Known for his booming leg, Smith averaged an impressive 44.3 yards on 254 career punts. He set an NCAA record with a 50-yard punt in 32 consecutive games and remains No. 2 in SEC history for career 50-yard punts (86) and games averaging 40 or more yards (36). His 92-yard punt and 84.5-yard single-game average against Southern Miss in 1984 still stand as SEC records. Smith capped his college career with appearances in the Senior Bowl and the Blue-Gray Game. Though he didn't make a lasting mark in the NFL, he was later honored with a spot in the Ole Miss Sports Hall of Fame in 2016.

### **Mississippi State - Gabe Jackson, Offensive Guard, 2009-13**

Gabe Jackson is one of the most accomplished offensive linemen in Mississippi State history. A four-year starter at left guard from 2010 to 2013, Jackson started all 52 games of his college career—demonstrating both durability and dominance. Widely regarded as the top guard prospect for the 2014 NFL Draft, he earned first-team All-America honors from Bleacher Report and second-team selections from Walter Camp, USA Today, and Athlon Sports. Jackson was twice named first-team All-SEC and, as a senior, anchored an offensive line that powered a record-setting MSU offense. That season, he did not allow a single sack and earned the C Spire Conerly Trophy, awarded to Mississippi's top collegiate player—a rare honor for an offensive lineman. Selected in the third round of the 2014 NFL Draft by the Oakland Raiders, Jackson enjoyed a 10-year NFL career, starting 132 of 136 games. Known for his consistency, he never allowed more than five sacks in a season and played for the Raiders, Seahawks, and Panthers.

### **Missouri - Mitch Morse, Offensive Lineman, 2010-14**

Mitch Morse established himself as one of the most versatile and consistent offensive linemen in University of Missouri history. After redshirting in 2010, the Austin, Texas, native appeared in all 13 games in 2011, earning First-Team Academic All-Big 12 honors. From 2012 to 2014, Morse displayed rare versatility, starting at center, right tackle, and left tackle as Mizzou made back-to-back SEC Championship Game appearances. His senior season at left tackle earned him All-SEC honors, capping a college career that also included three SEC Academic Honor Roll selections and recognition on the SEC Community Service Team. Known for both his intelligence and leadership, Morse was a pillar of Missouri's offensive line and academic community. Morse was selected in the second round of the 2015 NFL Draft by the Kansas City Chiefs and went on to start all 143 games of his 10-year career. He earned a Pro Bowl nod in 2022 with the Buffalo Bills and finished his career in 2024 with the Jacksonville Jaguars.

### **Oklahoma - Lucious Selmon, Nose Guard, 1970-73**

Lucious Selmon, the eldest of the iconic Selmon brothers, left an enduring legacy at the University of Oklahoma. From 1971 to 1973, he was a cornerstone of a dominant Sooner defense, helping lead OU to an outstanding 32-2-1 record. A two-time first-team All-Big Eight selection, Selmon earned unanimous All-America honors in 1973 and was named the Big Eight Defensive Player of the Year. That season, he also finished seventh in Heisman Trophy voting—a rare feat for a defensive lineman. With 255 tackles and 31 tackles for loss, he finished tied for first all-time among OU defensive linemen in both categories. Selmon played a key role in back-to-back Big Eight titles and Sugar Bowl wins, and later gave back to the program as an assistant coach for 19 seasons. He was drafted by the New England Patriots in 1974 and later coached with the Jacksonville Jaguars from 1995–2002, contributing to multiple playoff runs.

### **South Carolina - Connor Shaw, Quarterback, 2010-13**

Connor Shaw, the winningest quarterback in South Carolina history, left an enduring legacy during his career from 2010 to 2013. A native of Flowery Branch, Georgia, Shaw posted a remarkable 27-5 record as a starter, including a perfect 17-0 mark at Williams-Brice Stadium. He ranks in the top 10 in eight major career categories at USC, including first in touchdowns responsible for and second in passing touchdowns. Known for his accuracy and toughness, Shaw delivered some of the program's most iconic performances—such as completing 20 straight passes in a 2012 win over Missouri and leading a dramatic comeback against #5 Missouri in 2013 despite injury. In his final game, the Capital One Bowl, he accounted for five touchdowns and earned MVP honors. Shaw's NFL career, which included time with the Cleveland Browns and Chicago Bears, was shortened by injury. He later returned to South Carolina in key staff roles and now works as a consultant, remaining closely connected to his alma mater.

### **Tennessee - Kevin Burnett, Linebacker, 2000-04**

Kevin Burnett was a standout linebacker and inspirational leader at the University of Tennessee from 2000–04. A two-time team captain, he helped guide the Volunteers to back-to-back 10-win seasons, including the 2004 SEC Eastern Division title and a dominant 38-7 Cotton Bowl win over Texas A&M. That season, he earned first-team All-American and All-SEC honors, finishing with 120 tackles and ranking third in the SEC in tackles per game. Burnett also shined in 2003, earning second-team All-SEC and leading Tennessee to the Peach Bowl after key wins over Florida and Alabama. He concluded his college career with 274 tackles, 14 tackles for loss, and eight sacks, and was a semifinalist for both the Butkus and Bednarik Awards. Off the field, Burnett was a three-time SEC Academic Honor Roll member and earned both undergraduate and master's degrees.

### **SOUTHEASTERN CONFERENCE ANNOUNCES 2026-29 FOOTBALL OPPONENTS**

BIRMINGHAM, Alabama (September 23, 2025) – The Southeastern Conference on Tuesday announced the opponents and sites for SEC football games for the 2026 through 2029 seasons.

The SEC announced in August it would play a nine-game conference schedule starting with the 2026 season. In the new format, each SEC school will play every other SEC school at least once every two years, and every opponent home and away over four years, making it the most fair and balanced schedule in the history of the Conference.

Under the new format, each school will play three annual opponents focused on maintaining many traditional rivalries and each team's remaining six games will rotate among the remaining conference schools. The SEC will continue with a single-standings, non-divisional structure.

#### **Annual Opponents**

- Annual opponents were determined with consideration given to traditional rivalries, competitive fairness, geography and alignment with existing non-conference home/away commitments
- Annual opponents will be evaluated after each four-year cycle to maintain continued competitive balance

#### **Rotating Opponents**

- The remaining six conference games will come from a rotating pool of the other conference teams
- The rotating schedule is designed so that a team will play every other conference opponent at least once every two years and twice (once at home and once away) over a four-year period

#### **Balance**

- With nine conference games, eight schools will play five home games each season and eight schools will play four home games
- Home/away determination was made with the intent of providing seven home games for each school while balancing existing home/away commitments to annual non-conference rivalry games.
- To meet the scheduling priorities established by the conference and its members,

the 2026 conference schedule includes cases where schools play at the same venue in back-to-back years. This has occurred in the past when the SEC has changed football scheduling formats.

In addition to the conference opponents, SEC teams are required to schedule at least one additional high quality non-conference opponent from the Atlantic Coast, Big Ten or Big 12 conferences or Notre Dame each season.

The complete 2026 SEC Football Schedule to include dates of games will be announced later this year.

A pioneer in the integration of higher education and athletic competition, the Southeastern Conference is a leader on the national landscape for intercollegiate athletics in the 21st century. Since its formation in 1933, the SEC has achieved stature and stability by designating governing/voting power to the presidents of the member institutions. These university leaders determine the policies of the conference and through the years this involvement has been the principal source of strength in the evolution of the SEC. Throughout its 82-year history, the SEC has provided leadership on the vital issues facing intercollegiate competition. Alabama, Auburn, Florida, Georgia, Kentucky, LSU, Mississippi, Mississippi State, Tennessee and Vanderbilt have been in the SEC since its formation in 1933. The league has expanded three times, adding Arkansas and South Carolina in 1991, then Missouri and Texas A&M in 2012, then Oklahoma and Texas in 2024.
