STARTING FIVE

• The Gophers open a challenging stretch in which three of their next four opponents come from a Power Five conference, hosting Arkansas on Tuesday night at Williams Arena. After Tuesday's game against the SEC-member Razorbacks, Minnesota hosts Southern Illinois Friday before visiting Florida State (Nov. 27) and meeting Vanderbilt (Dec. 3) on a neutral court in Sioux Falls.

• Amir Coffey has reached double-figures in all four starts he's made for the Gophers, but Friday he accomplished the feat before halftime, as he led all players with 17-points at the break on the way to his first career 30-point game. Coffey led the Gophers with 30 points, making 9-of-14 field goals and 11-of-12 free throws.

• Coffey is the first Minnesota player with 30 or more points in a game since Andre Hollins scored 31 against Rutgers on Jan. 17, 2015. More impressively, he is the first Minnesota freshman to torch the nets for 30 points since Kris Humphries in 2003-04. Coffey added four rebounds, two steals and an assist, while logging a team-high 36 minutes.

• Reggie Lynch blocked nine shots in the St. John's game, third among all-time Gopher single-game performances, part of an 11-block team effort by the Gophers. They have not had double-digit blocks since Nov. 21, 2013 (12 vs. Wofford), and rank second in the Big Ten in blocks per game (6.8). Lynch is 12th in the nation in blocks per game.

• Minnesota topped 80 points for the fourth-straight game to open the season. The last time a Gophers team started a season with four-straight 80-point games was 1992-93, when Clem Haskins' team opened the season with six-straight games over 80. It's the first time the Gophers tallied 80-plus in four-consecutive games since a seven-game stretch in December 2014.

SCOUTING THE RAZORBACKS
• Arkansas is 3-0 on the season, including a win over UT Arlington, 71-67, on Friday night in Fayetteville.
• The Razorbacks have four players averaging double-digit scoring, led by Dusty Hannahs who chips in 17.7 points per game.
• Arkansas finished last season wtih a 16-16 record, and head coach Mike Anderson has never had a losing season in his 14-plus seasons as a Division I head coach.

GOPHERS VS. THE SEC
• Minnesota has amassed a record of 15-11 against the current membership of the Southeastern Conference.
• That total includes the following individual opponent records: Alabama (0-2), Florida (1-1), Georgia (4-1), Kentucky (1-3), Ole Miss (2-0), Missouri (2-0), South Carolina (0-2), Tennessee (0-1), Texas A&M (1-1), Vanderbilt (4-0). Games that were later vacated are excluded from that list.
• The Gophers will face two SEC opponents this year in the Razorbacks (Nov. 22) and Vanderbilt (Dec. 3). They haven't played two SEC schools in the same year since 1997 (Alabama & Kentucky), results that were later vacated. Officially, the last time it happened was also the last time Minnesota played two SEC schools in the regular season (Vanderbilt & Kentucky), in 1957.
• Head coach Richard Pitino is facing a SEC opponent for the second time, following the matchup with Arkansas in 2013 at the Maui Invitational. He is no stranger to the conference, however, spending two seasons on Billy Donovan's staff at Florida.

FRESH(MAN) START
• Guard Amir Coffey became the first Minnesota true freshman to start a season-opener since Andre Hollins.
• In the win over UL-Lafayette, Coffey poured in 13 points, three rebounds, three assists and one steal in 27 minutes of play.
• Hollins (6 pts., 2 ast., 1 reb., 1 stl.) did so five years ago to the day, Nov. 11, 2011.
• Another Gopher newcomer, center Reggie Lynch, earned the starting nod in his first game with the Maroon and Gold after transferring from Illinois State. He scored 10 points, eight rebounds and two blocks, the latter two team-highs.

GOPHERS SIGN TWO TO NLIs
• Minnesota head men's basketball coach Richard Pitino announced Thursday the addition of two guards in Jamir Harris (North Brunswick, N.J./The Patrick School) and Isaiah Washington (Harlem, N.Y./St. Raymond's HS). Both signed their National Letters of Intent to join the Golden Gophers for the 2017-18 academic year.
• "We are extremely excited to announce the signing of Jamir and Isaiah," Pitino said. "I've always believed that in order to compete at the top of the Big Ten, which we hope to do, you need to have multiple good recruiting classes and we feel we've done that. Both Jamir and Isaiah are very good players and will be great student-athletes for the University of Minnesota."
• More on each of the signees, including additional quotes, can be found at **z.umn.edu/mbbnli16.**

PARTY LIKE IT'S 1999
• Friday's season opener against the Ragin' Cajuns kicked off a stretch of six straight home games to begin the season.
• The six straight regular-season home games to start the Gopher schedule is the most since 1999, when the Gophers went 6-0 at home in their first six games of the year.
• The Gophers will host 20 regular season games at Williams Arena this season, including 11 non-conference foes.

TRANSFERS EXPECTED TO MAKE AN IMPACT
• While Davonte Fitzgerald (Texas A&M) has been sidelined after injury to his left ACL, guard Akeem Springs (Milwaukee) and center Reggie Lynch (Illinois State) will contribute heavily on the court this season for the Maroon and Gold.
• Springs arrives in Dinkytown as a graduate transfer following two seasons at Milwaukee, where he was a double-digit scorer including 13.2 points and 5.3 rebounds last year.
• Lynch, who joined the Gophers in 2015 but sat out last season as a redshirt, was an All-Conference performer in the Missouri Valley after racking up 189 career blocks, second on the Redbirds' career list.

NEARLY $75K RAISED AT COACHES VS. CANCER DINNER
• For the second straight year, the Minikahda Club in Minneapolis played host to the Minnesota Coaches vs. Cancer Tipoff Dinner.
• After an opening social hour and dinner, the program began with remarks from Coach Pitino, in which he introduced each member of the squad and discussed the fight against cancer. Guests also had the chance to hear from a cancer survivor who was impacted by the work of the American Cancer Society.
• In total, the event raised nearly $75,000 for the fight against cancer, including supporting the Richard M. Schulze Family American Cancer Society Hope Lodge located just off campus in Minneapolis.
• "I am extremely proud that our team was able to make an impact and contribute towards defeating cancer," said Pitino. "Cancer has affected me and my loved ones personally, and I am happy to give back in any way I can. I am very appreciative of all our donors and attendees who helped us surpass last year's fundraising totals."
• Read more about the event at **z.umn.edu/mbbcvc16**

NEW FACE ON THE BENCH
• In September, head coach Richard Pitino welcomed a new member of his staff as Ed Conroy joined the Gopher assistant coaches.
• With more than 25 years of college coaching experience, Conroy most recently spent six seasons as head coach at Tulane. While there, he led the Green Wave to two post-season berths and a 20-win season, their first in 13 years.
• Conroy has also served as head coach at his alma mater, The Citadel (2006-10), and Francis Marion (1997-2000) while working as an assistant at seven other schools.

MEDIA CREDENTIALS
Requests for working media credentials (newspaper, radio, TV, photo) for Minnesota home games must be made on-line at gophersports.com/media. Requests for credentials should be made as early as possible due to severe seat limitations in the press areas at Williams Arena. Please contact the Athletic Communications office for more information regarding the on-line credentialing system. Delivery of credentials will be handled according to individual situations, but in most cases will not be mailed. Credentials can be picked up starting two and a half hours before game time at the Williams Arena media will call gate at the west end of the south lobby of the building.

MEDIA CREDENTIAL CRITERIA
Due to severe space limitations for media seating in Williams Arena, media requesting credentials for Golden Gopher basketball will have to meet certain criteria to gain access to press seating. The criteria will also determine where media will be located during games either in press row courtside or in the upper press row (Row 1 of balcony on north side). Order of priority:
• The originating television entity of the game will be seated courtside at center court.
• Flagship radio for both teams will be seated in the upper level press row. Any non-originating radio stations doing game updates will be seated in the upper press row. Student radio stations will be subject to space restrictions and will only be granted credentials if space allows.
• Any national publication will be granted a minimum of one credential for working press and one photography credential if needed courtside.
• The Associated Press and the primary daily newspapers of the Minneapolis/St. Paul market that provide daily coverage for Golden Gopher basketball will be granted three seats courtside. (1-photo, 2-working press). Any other requested credentials will be seated in the upper press row.
• Any visiting team's primary newspapers from its largest media market that provide daily coverage of the visiting team will be granted one credential courtside if space allows. The location of other credentialed media of the visiting team will be determined by circulation size or the visiting SID.
• Minneapolis/St. Paul local television stations with network affiliation will be granted a shooting postion (located near the slash camera position) and one seat in the radio deck.
• Any local television stations from visiting markets will be seated on the radio deck.
• Daily student newspapers will be placed on the radio deck will the exception of the Minnesota Daily. The Minnesota Daily will have one credential in the courtside press row. Any additional credentialed seats will be located in the radio deck.
• Any weekly, basketball specific, or school specific publications with the exception of the Minnesota Spokesman-Recorder will be seated on the radio deck and issue of credentials will be determined by space restrictions and the media relations office. The Minnesota Spokesman-Recorder will have one credential in the courtside press row.
• If there is no space available on either press row, media can request credentials and have access during the game to the media work room located on the second level of the east addition and postgame interview areas.

PHOTO AND FILM CREDENTIALS
All photo and game film credentials should be requested as early as possible because of severe space limitations. Photographers and film crews may work only in the designated areas. Photographers are not allowed on the court during play, but can photograph pregame and postgame activities, if they have requested such access from the media relations staff. Failure to comply will result in expulsion from the arena.

WEEKLY PRACTICE ACCESS/INTERVIEW AVAILABILITY
Coach Pitino and select Golden Gopher players will be made available for interviews the day before each game prior to the start of that day's practice. Interviews, in most cases, will be conducted in the Williams Arena Media Room. This is subject to change at the coaches discretion. It is strongly recommended that at least 24 hours notice be given to Dan Reisig in the Athletic Communications Office to ensure that your request can be considered.

Pitino's 43 wins is the **second-highest total** of all current Big Ten head coaches **in their first two years** at their respective school.

His **.606 winning percentage** in that time frame ties for third in that category.

Richard Pitino is in his fourth season as the 17th head coach of the University of Minnesota's Golden Gopher men's basketball team.

Last season saw several accomplishments, including the selection of freshman Jordan Murphy to the Big Ten All-Freshman Team. He was the Gophers' first honoree since 2005 and only the third ever. The Gophers also picked up signature victories over No. 6 Maryland at home, along with improving to 3-0 under Pitino in the Big Ten/ACC Challenge after a home victory over Clemson in November.

In 2015-16, the Gophers set a new school single-season record with 313 steals, passing the previous mark of 297 set in 2007-08. The team averaged 74.2 points per game, the highest since the 2001-02 season and the second straight season under head coach Richard Pitino that the Gophers have averaged more than 71 points per game. Two of his players garnered All-Big Ten honorable mentions in guard Andre Hollins (coaches & media) and Maurice Walker (media). In February, the Gophers defeated then-#25 and eventual Final Four team Michigan State in East Lansing for the first time since 1997 (later vacated) – the team's first road win over a top-25 team since 2012.

In year one, Pitino led the Gophers to their second National Invitation Tournament championship in program history, posting a school-record 25 wins in the process. Among those victories were three top-25 wins at home in Williams Arena, knocking off #9/8 Wisconsin, #11/9 Ohio State, and #20/19 Iowa. Those were part of the 20 home wins that the Gophers amassed during the season. Pitino's first Gopher team finished with eight Big Ten victories,seventh in the conference, along with an opening-round win in the Big Ten Tournament. The 2014-15 squad featured two All-Big Ten honorable mention playersin junior guards Andre Hollins and DeAndre Mathieu, the latter one of four newcomers that arrived on campus with Pitino.

"We are excited to welcome Coach Pitino to the University of Minnesota," said University President Eric Kaler at the time of his hiring. "Pitino brings the energy, skill, passion and commitment we need to lead our program and develop our student-athletes, both on and off the court."

Pitino came to Gold Country after spending one season at the helm of the Florida International University (FIU) basketball program. Prior to his arrival in South Florida, FIU had not had a winning season since 1999-2000 and in the three seasons before his hiring posted a combined record of 26-65. In just one season, Pitino led the program to 18 wins, the fourth-most in program history, and its first appearance in the Sun Belt Conference Tournament championship game. FIU finished with 11 conference wins on the season, the most by a Panther team since joining the Sun Belt Conference.

Prior to leading FIU, Pitino served as the Associate Head Coach for one season and an assistant for two other seasons under his father, Rick, at Louisville. In three years overall with the Cardinals, he helped the program to a combined 88-25 record, a pair of NCAA Elite Eight berths (2008 and 2009) and one NCAA Final Four appearance (2012). His efforts also helped the Cards land two of top 15 recruiting classes in his three years (2007-08 and 2008-09). Pitino also spent time as an assistant for two seasons under Billy Donovan at Florida. In his time with the Gators, the club was a combined 50-20 with back-to back NCAA Tournament appearances, including reaching the 2011 NCAA Southeast Regional finals before falling to NCAA runner-up Butler.
