**Indoor Coach of the Year
2013**

Chris Bucknam enters his 11th season as the head coach of the nationally dominant Arkansas men's cross country and track and field program. A veteran in the coaching ranks, Bucknam took the Razorback head coaching position on June 27, 2008, after a 25-year stint at Northern Iowa.

Since assuming the head coaching position at Arkansas, Bucknam has enjoyed tremendous success on the national stage. Bucknam's guidance has led the Razorbacks to 20 top 10 finishes with his cross country squads placing in the top 10 four times, while his track and field teams have 16 top 10s with four national runner-up finishes and one national title.

The 2015-16 season brought the program's 15th SEC Triple Crown as Bucknam masterfully guided the Razorbacks to decisive conference victories during the cross country, indoor and outdoor seasons. Arkansas' dominance didn't end at the league level, exceeding expectations at the national ranks as well with three top-six NCAA finishes - two of which were national runner-up performances.

Bucknam has been successful on all fronts in his time at Arkansas. In 2015, the Razorbacks saw a cross country campaign see five different student-athletes take the lead for Arkansas during the season. Their success carried through to track season with Bucknam relying on a combined effort from all event groups to lead Arkansas to postseason titles. His squad rose to the occasion as over 90 percent of the Razorbacks' conference roster contributed at the SEC Championships and further delivering two NCAA national runner-up performances.

Bucknam oversaw one of the most phenomenal performances in the history of NCAA track in field in 2016 as Jarrion Lawson captured three NCAA individual titles for the Razorbacks, completing the Jesse Owens triple with victories in the 100-meters, 200-meters and long jump at the outdoor championship. 2016's success was a continuation of Arkansas long-standing tradition including the 2013 indoor squad who captured Bucknam's first and

Arkansas' 41st NCAA title.

Along with the indoor title, Arkansas placed 10th at the NCAA Cross Country Championship and third at the outdoor meet allowing the program to claim its first John McDonnell Program of the Year award, named after the legendary Arkansas coach whom Bucknam took over for following his retirement.

Since 2011, Bucknam's squads have captured 11 league championships. No other SEC school has more than two in that same time frame.

Prior to taking over the Arkansas program, Bucknam was a well-respected head coach at Northern Iowa where he led his teams to 35 conference championships, two top-10 and six top-20 finishes at the NCAA Indoor and Outdoor Championships. He was named conference coach of the year 33 times while in Cedar Falls, Iowa, and coached three individual national champions and 34 All-Americans who earned a total of 85 honors.

His time with the Panthers saw him lead the men's program for 25 seasons and a combined track and field operation for the final 11 years. Bucknam's career at Northern Iowa began as an assistant in 1979 before he assumed the head coaching job prior to the 1984 campaign.

Along with his various conference coach of the year awards, Bucknam was also honored regionally for his acumen with nine USTFCCCA Midwest Region Coach of the Year honors.

Under Bucknam's tutelage, Northern Iowa product Joey Woody was a three-time All-American and the 1997 national champion in the 400-meter hurdles. Woody placed second in the 400-meter hurdles at 2003 World Championships and was a member of the 1999 World Champion 4-x-400-meter relay team.

A native of Beverly, Mass., Bucknam attended Norwich University in Northfield, Vermont, where he was a cross country and track letterman. He was elected cross country co-captain his senior year and is a member of the Norwich Athletic Hall of Fame and the UNI HPELS Hall of Excellence. He earned his bachelor's degree in physical education in 1978. He earned his master's degree in physical education from Northern Iowa in 1982. He and his wife, Cindy, are the parents of a son, Eric, and a daughter, Kate.

Doug Case enters his 11th season as an assistant coach with the University of Arkansas track and field teams.

Since arriving in Fayetteville following an extended stay at Northern Iowa, Case has revitalized the Arkansas sprint team and led his student athletes to 10 NCAA individual titles, including the first-ever championships in pole vault, 60-meter hurdles, 100-meter hurdles, 4x100-meter relay and 4x400-meter relay (i).

The crowning achievement of Case's time with Arkansas came during the 2013 indoor track season when he and longtime friend and mentor Chris Bucknam led the Razorbacks to the NCAA Championship. The duo followed up the win with a third-place finish at the outdoor meet, which led to the University's first John McDonnell Program of the Year award.

In short time, Case's athletes have made an impact on Arkansas' record books. 71 marks on Arkansas' top-10 performance list across 16 events belong to student-athletes developed by Case. In 2016, Case guided Arkansas sophomore Omar McLeod past the razorback record books and into collegiate history to claim the NCAA all-time best spot at both 60-meter and 110-meter hurdles, which had previously stood for 36 years.

Under Case's supervision, McLeod developed into one of the best high-hurdlers in the world. In his freshman season, McLeod earned SEC Freshman Runner of the Year. He capped his amateur career as a Bowerman Trophy semifinalist and with a victory at the Jamaican national Championships as the first collegian to run a non-wind assisted sub-13 time in the 110-meter hurdles.

The 2015 NCAA Championship winning 4x100-meter team assembled by Case included SEC Freshman Runner of the Year Kenzo Cotton, and individual indoor event All-Americans Jarrion Lawson and Marqueze Washington. Case was responsible for the breakthrough performance by Lawson at 100-meters, who went from unknown in the event to the third fastest in the country in the span of one month.

ARKANSAS

LEADERSHIP

The collegiate duo of Cotton and Lawson and returning 4x100-meter relay members both placed national in individual sprint events during the indoor and outdoor season. Lawson accomplished the coveted Jesse Owens triple with victories in the 100-meters, 200-meters, and long jump at the NCAA Outdoor Championship.

Lawson and Cotton both qualified for the U.S. Olympic Trials advancing to the semifinals in both the 100 and 200 in their debut at the event. As the seventh place finisher in the 100, Lawson earned a spot on Team USA's 4-x-100 relay team, going on to assist them at the Olympic Games during the preliminary round of competition.

A product of the mentoring of both Case and assistant field events coach Travis Geopfert, Lawson was the first member of the Arkansas men's track and field team to be a finalist for the sport's most prestigious honor the Bowerman Award. He also was the first collegiate track athlete to earn an ESPYs nomination in the Best Male College Athlete category.

His work isn't limited to the track as Case developed the abilities of All-American pole vaulter Andrew Irwin who in his time with Arkansas won two NCAA championships and five SEC titles. Case's work with Irwin has won the Mt. Ida, Ark., native five All-America honors, SEC Freshman Field Athlete of the Year awards both indoor and out, the SEC Field Athlete of the Year for the 2012 outdoor season and USTFCCA South Central Region Field Athlete of the Year accolades.

Case's career path saw him make a stop at Arkansas State before taking the head coaching position at Drake and eventually Northern Iowa. At Arkansas State, the Red Wolves won nine Sun Belt Conference titles and Case recruited 52 outdoor and 49 indoor individual conference champions, four All-Americans, seven Olympic Trials qualifiers and three Olympians. His three-year stint at Drake included three school records and a ninth-place finish by the distance medley relay at the NCAA Championship.

A former Northern Iowa sprinter, Case set eight school records between 1982 and 1986 and was an all-conference performer. A native of Marshalltown, Iowa, Case received his bachelor's degree from UNI in 1987 and served as a graduate assistant with the Panthers the next two seasons. He and his wife, Chris, have four children: Kelsey, Lauren, Cameron and Regan.

Mario Sategna was hired as an assistant coach for the University of Arkansas Razorback men's track & field team on July 23, 2018, arriving on The Hill following 15 years at the University of Texas in Austin as an assistant, associate, and head coach during his time with the Longhorns.

When the University of Texas combined its men's and women's programs in June 2013, it looked to longtime men's assistant coach Mario Sategna to lead the new version of the Longhorns. In his four years leading the combined program, Sategna led the Longhorns to 11 Big 12 Conference titles, including the first three-peat in conference history in men's outdoor track & field.

in 2017, Sategna guided the Longhorns to a sweep of the men's Big 12 Championship titles. With the win outdoors the Texas men became the first team to win three consecutive Big 12 outdoor championships.

Sategna personally oversaw the multi-event athletes to great success in 2017. Steele Wasik transferred to Texas and in his first year as a Longhorn, he claimed Big 12 titles indoors and out in the heptathlon and decathlon. Indoors, Sategna's group finished 1-2-3 in the heptathlon with Wolf Mahler and freshman George Patrick joining to dominate the event. Mahler would go on to earn First-Team All-America honors indoors and out while Wasik received second-team honors for their efforts at the NCAA Championships. Patrick also won the decathlon at the USATF Junior Championships and then claimed gold at the Pan Am Junior Championships for Team USA.

Texas saw great success in other areas in 2017 with the men finishing ninth at the NCAA Indoor Championships and scoring 21 points. Freshman O'Brien Wasome finished third in the triple jump and became just the fourth freshman in NCAA history to leap at least 16.40 meters (53-9.75) when he measured 16.49m (54-1.25). The women's team finished seventh at the NCAA Outdoor Championships lead by Chrisann Gordon's title in the 400 meters and a third-place finish from Rushelle Burton as she became the fastest freshman in NCAA history in the 100m hurdles.

Sategna closed 2017 by serving as the Men's Head Coach for Team USA at the IAAF World Championships in London. He helped guide the U.S. to its best

ARKANSAS LEADERSHIP

finish as the men and women combined for a total of 30 medals.

During his 10 seasons as a UT assistant, Sategna helped coach seven throwers, jumpers and multi-event athletes (Crouser, Marquise Goodwin, Trey Hardee, Hock, Donovan Kilmartin, Andra Manson and Maston Wallace) to 11 NCAA titles. That group is among 21 of his athletes to earn 62 All-America honors.

Sategna moved to Texas from the University of Minnesota where he was the men’s assistant coach for four years (1999-03). In that position, he was in charge of the throws, multi-events, pole vault and high hurdler events. He coached student-athletes to four Big Ten individual crowns, two All-America honors and eight school records. Sategna also helped guide Minnesota to the Big Ten Conference Outdoor title, a first-place finish in the USTCA Indoor Team Power Rankings and top 10 showings at the NCAA Indoor and Outdoor Championships during the 2003 campaign.

Before his tenure at Minnesota, Sategna served as an assistant coach in charge of throws at Wichita State from 1998-99. Prior to his stint with the Shockers, Sategna was a physical education teacher and track and field coach at Albuquerque (N.M.) Academy in 1997-98 and a volunteer assistant track and field coach at LSU in 1996-97.

A standout decathlete, Sategna was a three-time All-American at LSU in the 1990s. He won the 1994 Southeastern Conference title and the 1995 NCAA crown in the decathlon, and his personal-best point total of 8,172 still stands as the LSU record and ranked among the NCAA top 10 all-time point totals. He also finished sixth in the World University Games, was a 1996 United States Olympic Trials qualifier and won the 1997 U.S. versus Germany Decathlon Dual meet (8,107).

A native of Bloomfield, N.M., Sategna earned a bachelor of science degree in kinesiology from LSU in 1996 and a master of education degree in applied kinesiology from Minnesota in 2002. Sategna is USATF Level II certified in sprints, hurdles, throws and multi-events.

Sategna and his wife, Dahlia, reside in Fayetteville with their three children.

JOSPAT BOIT

VOLUNTEER COACH - 3RD SEASON

ARKANSAS, 2006

Former Razorback distance harrier Josphat Boit is in his third season as a volunteer assistant coach with the Arkansas distance crew.

As a volunteer coach, Boit has been an integral part of the Razorback staff that has captured back-to-back conference titles with Boit on staff. The 2016 season saw Alex George capture the individual title crossing the line in 23:24.9 helping the home team Razorbacks hoist the title in Agri Park with all five scorers earning All-SEC honors. In 2017, the Razorbacks put five runners inside the top-15 with all five athletes earning All-SEC honors en route to a 40-point victory over Alabama. Boit was a two-time NCAA Champion while running for the Hogs. He took the 2006 NCAA Indoor 5K title and followed that up by winning the 2006 NCAA Out-

door 10,000-meter race.

Boit earned eight All-America certificates and was a six-time SEC Champion during his time at Arkansas. He was also a 10-time All-SEC performer. The Winningest Coach in NCAA History

John McDonnell

ARKANSAS

JOHN McDONNELL

The bronze statue of legendary coach John McDonnell was dedicated Nov. 14, 2014, at the outdoor facility also named in his honor.

Legendary University of Arkansas cross country and track and field head coach John McDonnell announced his retirement on April 21, 2008 following 36 years, 40 NCAA championships and 84 conference titles.

McDonnell's 40 national titles are more than any coach in any single-gender program in the history of collegiate athletics. He won five national triple crowns, 21 conference triple crowns, 34 consecutive cross country conference championships, including 17 straight in the Southeastern Conference, and has been named national, regional or conference coach of the year a total of 140 times.

From County Mayo, Ireland, McDonnell became head cross country coach of the Razorbacks in 1972, and head track and field coach in 1977-78. Since 1984, he won 19 national championships in indoor track, 10 in outdoor track and 11 in cross country. Since 1984, a total of 69 national titles have been awarded in those three sports, and McDonnell's teams won all but 29 of them.

His five national triple crowns came in 1984-85, 1991-92, 1992-93, 1994-95 and 1998-99; his 84 league titles include 46 in the SEC and 38 in the Southwest Conference, and a streak of 25 straight in all three sports from 1987-95; his 40 national championships include a string of 12 straight indoor titles from 1984-95, the longest streak of NCAA titles by any Division I school in any sport in collegiate history; and his teams have won at least one national championship in 21 of the last 26 years.

McDonnell, who earned his bachelor's degree from Louisiana-Lafayette in 1969, and coached at New Providence (N.J.) High School (1969-70) and Lafayette (La.) High School (1971) before coming to Arkansas, has won 16 more national titles than his next closest competitor (Pat Henry, LSU and Texas A&M), and only one other school, Texas-El Paso with three, has won a triple crown.

In addition to the championships, his list of honors includes membership in the halls of fame for National Track and Field, United States Track and Field and Cross Country Coaches Association (USTFCCA), USA Track and Field, Arkansas Sports and Louisiana-Lafayette as well as the University of Arkansas Hall of Honor. Arkansas' 7,000-seat outdoor facility, John McDonnell Field, is named in his honor.

A 30-time national coach of the year, 50-time conference coach of the year and 62-time region coach of the year, he coached all but three of Arkansas' 187 All-Americans. Those student-athletes combined to earn 656 All-America honors.

He also coached 25 Olympians, including a gold, silver and bronze medalist, 103 NCAA individual event champions and 326 individual event conference champions.

McDonnell won 46 of a possible 51 SEC championships (90 percent), including the 2008 indoor and outdoor conference titles.

McDonnell, who coached former Razorback Daniel Lincoln to the American record in the 3,000-meter steeplechase in July 2006, has been national coach of the year 12 times in indoor track, 11 times in outdoor track and seven times in cross country for a total of 30 awards. He was also named the NCAA Mideast Regional Coach of the Year three of the five years it has been presented (2003-05).

His tenure at Arkansas began in 1972 coaching cross country and assisting Ed Renfrow with the track program. When Renfrow left coaching, former Athletic Director Frank Broyles promoted McDonnell in time for the 1977-78 academic year.

CAMPUS ON THE HILL

ARKANSAS™

The University of Arkansas

The University of Arkansas provides a student-centered learning experience focused on research, innovation and outreach as a part of educating future leaders. Consistently ranked among the top public universities and best values in the U.S., the U of A is classified among the top two percent of institutions nationwide with the highest possible level of research activity.

The university's 27,0065 students represent all 50 states and more than 120 countries. The U of A has 10 colleges and schools offering more than 210 academic programs – while maintaining a low student-to-faculty ratio that promotes personal attention and mentoring opportunities.

Founded in 1871, the university is the oldest publicly supported institution in the state and is the flagship of the University of Arkansas System. The U of A campus features distinctive architecture, including its signature building, Old Main, finished in 1875. The iconic building now houses the J. William Fulbright College of Arts and Sciences. The college is named in honor of former U of A President (and, later, U.S. Senator) J. William Fulbright, who helped create the prestigious international scholarship and fellowship programs that bear his name.

The university promotes undergraduate research in virtually every discipline and has an outstanding national reputation in many areas, including agriculture, architecture, business, creative writing, engineering, high-density electronics and nanoscience, as well as sustainability and environmental sciences. Programs such as Supply Chain Management, Rehabilitation Counseling, Industrial Engineering and Biological and Agricultural Engineering rank among the best in the country.

The University of Arkansas offers a vibrant campus life that is culturally, intellectually and socially enriching. On our campus you'll find more than 300 registered student organizations, from special interest to professional groups, as well as 33 Greek organizations, making it easy and rewarding to get involved. Every semester offers opportunities to attend musical performances, theater productions, art exhibits, concerts, free films, poetry readings, visiting speakers and hundreds of other varied events.

Visit arkansas.edu for more information about the University of Arkansas.

Historic Senior Walk

As you make your way around campus, you're sure to notice something unique about many of the sidewalks. Historic Senior Walk showcases the names of more than 150,000 University of Arkansas graduates, grouped by year of graduation. Senior Walk is the university's longest tradition in both length and years. It's concrete proof of the university's commitment to students.

Senior Walk is also a perfect example of how the University of Arkansas celebrates its history and traditions while focusing on innovations for the future. When the costs involved in hand-etching names into concrete forced numerous other universities to give up, the U of A turned to its physical plant and engineering school grads to create a one-of-a-kind computerized sandblasting machine: the SandHog. Each summer, the SandHog roars across campus etching the names of new graduates into sidewalks.

Beyond Campus

Fayetteville is routinely considered among the country's finest college towns and the surrounding Northwest Arkansas region is regularly ranked one of the best places to live in the U.S. You'll find a number of attractions that will contribute to a rich college experience.

Three of America's largest corporations have their world headquarters in the region: Walmart, Tyson Foods and J.B. Hunt Transportation, Inc. Their close proximity to the U of A campus, along with their executives' and

employees' active involvement in university life, offers students and faculty exceptional opportunities for research partnerships, internships, and post-graduation employment.

Arkansas is a natural wonder of forests, mountains and lakes framed by picturesque rivers and streams. Some of the nation's best outdoor amenities

and most spectacular hiking trails are within a short drive of campus.

Old Main

One of the original buildings on Arkansas' campus, Old Main symbolizes the strong connection to the past and the focus upon the future which come together in the present at the University of Arkansas. Completed in 1875, Old Main stood the test of time until the mid-1980s when age and modern building codes threatened to send it to the wrecking ball as had happened to its sister building at the University of Illinois. A major fundraising campaign by alumni totally renovated Old Main. Reopening in 1992, the building maintains the feel of a Victorian-era building with high ceilings and elaborate wooden trim. Just below the surface of the period hardwood floors, Old Main is hard-wired to the internet and built to last well into its second century.

Even with renovation, Old Main remained unfinished until 2005. One of the gifts during the Campaign for the Twenty-First Century specified the installation of a clock, originally planned for the blank faces of the south tower.

As mentioned, Old Main was built from shared plans with its counterpart on the Illinois campus, with one important difference. The north tower of Arkansas' Old Main is taller than the south tower. Legend says this was symbolic of the Civil War as the lead engineer was a northern veteran.

RANDAL TYSON TRACK CENTER

In a re-dedication ceremony held Feb. 12, 2011, during the 2011 Tyson Invitational in Fayetteville, the Randal Tyson Track Center was recognized as “The Home of the Fastest Indoor Track in the World.” The Razorbacks’ home indoor track was resurfaced prior to the start of the 2011 track and field season.

In 2000, the Randal Tyson Track Center first opened on the University of Arkansas campus with the specially designed track, originally built by Mondo for the World Championships in Toronto, Canada. Since opening, the Razorbacks’ home facility has played host to several world-class indoor meets, including six SEC Championships—most recently, the 2011 indoor conference meet—and 10 NCAA Championships.

Widely considered as the fastest indoor surface ever constructed, the Tyson track has been home to numerous world records, American records and an impressive 65 percent of all current NCAA Championship meet records. Arkansas will increase its number of national hosting duties to 11 with the 2013 NCAA Indoor Track and Field Championships which will be held March 8-9, 2013, in Fayetteville.

In its first year of operation, the \$8 million facility hosted the Tyson Invitational, a meet on the Golden Spike Tour, the 2000 Southeastern Conference Championships and the 2000 NCAA Indoor Championships. In 2001 and 2002, the Randal Tyson Track Center once again served as the host for the Golden Spike Tour’s Tyson Invitational and the NCAA Indoor Championships.

During the 2003 season, three events were held at the state-of-the-art facility: the SEC West Challenge, the Tyson Invitational and the NCAA Championships. The 2004 campaign saw four exciting events take place at the Randal Tyson Track Center, including the Arkansas, Razorback and Tyson Invitational meets and the national championships.

The schedule was full in 2005 as the Arkansas, Razorback and Tyson Invitationals and the SEC and NCAA Championships were all held at the Tyson Track Center.

A new 36x20 custom video scoreboard system by Daktronics was installed in time for the 2005 NCAA Championships. It features a 23x13 video display screen with instant replay, electronic timing and scoring capabilities.

The track itself is a 200-meter, 60-degree banked track that has 55-meter straightways running the entire length of the facility. It also includes men’s and women’s jumping runways and pits. The surface of the track is red and gray Mondo and was repainted in 2003.

With all of the big name events that are held in the facility, the Tyson Track Center was built to handle the demands for the many media outlets. The press box is two-tiered offering 50 seats and has an announcer’s booth. There are four elevated camera positions located around the track. A media room is also available in the north concourse.

The University of Arkansas Board of Trustees recently approved the construction of three athletic related capital projects, one of those being a renovation and expansion of the Randal Tyson Indoor Track Center. The Randal Tyson Track Center will undergo an extensive renovation and expansion. The total project cost of the Randal Tyson Track Center Renovation and Expansion is currently estimated at \$15-20 million.

A feasibility study determined that both the fan and student-athlete experiences would benefit from reconfigured seating, enhanced circulation throughout the building, new concessions and restrooms, satellite locker rooms and training rooms facilities. The project will be completed in stages to allow the venue to still be used for competition during construction. The targeted completion date for the renovation and expansion is prior to the 2021 NCAA Indoor Track and Field Championships, which will be held at the venue.

The Fowler Family Baseball and Track Training Center provides an expansive check in and warm up area for track meets and will allow all indoor meet throwing events to be held on site.

The weight throw and discus practice/competition area is separate from the baseball training area allowing for dual training in the facility. For track competition, this facility will allow for all throwing events to be held at the Fowler Family Baseball and Track Training Center instead of the Walker Pavilion.

“Our baseball and men’s and women’s track and field programs consistently compete for SEC and national championships and we want to provide our student-athletes the resources they need to succeed,” said Vice Chancellor and Director of Athletics Hunter Yurachek.

The facility also includes four (4) 60 meter sprint lanes for track meet warm-up prior to events. With addition of this venue adjacent to Tyson Indoor Track Facility, track events will conduct clerking/warm-up here and make existing warm-up space in Tyson Indoor being converted to a shared strength and conditioning space and satellite training room.

Entering his second full year as vice chancellor and director of athletics at the University of Arkansas, Hunter Yurachek has made the most of his time since Chancellor Joseph Steinmetz announced him as vice chancellor and director of athletics on Dec. 4, 2017.

Shortly after his arrival in Fayetteville, Yurachek introduced a program wide strategic plan that focused on fostering student-athlete success and centered on achieving the program’s mission of building Razorbacks/Champions for Life. Thanks to the dedicated efforts of Razorback student-athletes, coaches, administrators, Razorback Foundation members and fans, results are already being realized on and off the field.

In the 2018 spring semester, Razorback student-athletes earned a record-tying 3.25 GPA and 282 student-athletes secured a spot on the department honor roll. In addition, nearly 125 Razorback student-athletes added their name to Senior Walk as graduates of the University of Arkansas.

Arkansas tied a program record with a No. 16 finish in the 2017-18 Learfield Sports Directors Cup, a program that ranks the nation’s most successful intercollegiate athletics programs. Arkansas finished first in the nation in the rankings among schools with 19 or fewer sports.

In 2017-18, Arkansas captured four SEC championships (men’s and women’s cross country, women’s indoor track, women’s golf), including the school’s first SEC crown in women’s golf. The Razorbacks earned three top-five national finishes including national championship runner-up finishes at the 2018 NCAA Women’s Indoor Track and Field Championships and the 2018 College World Series. Four Arkansas student-athletes earned individual national championships in 2017-18.

Since taking his leadership role within Razorback Athletics, Yurachek has traveled the state for a series of meet and greets to hear from Arkansans on what the Razorback program means to them. It is all part of building a solid foundation for fulfilling the program’s vision – To Be the Best.
