JERRY AND GENE JONES FAMILY STUDENT-ATHLETE SUCCESS CENTER

There is no debate about the most influential newcomer to Razorback Athletics in 2015-16. Opened for the start of the academic year, the Jerry and Gene Jones Family Student-Athlete Success Center, was officially dedicated on September 19 with members of the Jones Family, Vice Chancellor and Director of Athletics Jeff Long, Arkansas Governor Asa Hutchinson, Southeastern Conference Commissioner Greg Sankey and hundreds of Razorback student-athletes looking on.

The 55,000 square-foot facility dedicated to the development of more than 460 Razorback student-athletes was made possible by a $10.65 million gift from the Jones family. The Jones Success Center addresses the academic, nutritional, personal and professional development of our student-athletes and creates an integrated academic support program focused on the graduation of all student-athletes at the University of Arkansas.

The Student-Athlete Success Center is the home of the Bogle Academic Center and provides student-athletes with multiple learning environments including academic advising and course preparation, leadership training through the Razorback Leadership Academy and career planning and service learning. It also houses the Sports Nutrition Center, serving the fueling needs of student-athletes competing in 19 sports.

MARSHA AND MARTY MARTIN FAMILY BASKETBALL PERFORMANCE CENTER
EDDIE SUTTON MEN'S BASKETBALL PRACTICE GYM

The 66,000 square-foot Basketball Performance Center opened in the fall of 2015 and is the home of the Razorback Basketball program. In May 2019, the University of Arkansas System Board of Trustees adopted a resolution to name the men's facility the **EDDIE SUTTON MEN'S BASKETBALL PRACTICE GYM** after the Hall of Fame coach. Then, on Jan. 26, 2023, a $5 million donation secured naming rights to the Basketball Performance Center. The newly named **MARSHA AND MARTY MARTIN FAMILY BASKETBALL PERFORMANCE CENTER** was unveiled on Mar. 4, 2023, prior to the Arkansas-Kentucky men's basketball game.

The facility includes two full-court gymnasiums, locker rooms, a weight room, an athletic training room, coaches' offices, team meeting rooms, a student-athlete lounge, study areas and an equipment room.

The largest components of the facility are two identical practice gyms, which are approximately 12,280 square feet each. Each gym has six wall mounted goals and two portable goals that are identical to the goals used in Bud Walton Arena.

A state-of-the-art video coaching system is available in each gym with a large format video display for the team's use in reviewing video footage recorded during practice through the remotely operated cameras mounted on the ceiling.

The Performance Center's training room is approximately 1,720 square feet and contains a large treadmill treatment pool, cold plunge pool, hot plunge pool and a dual extremity pool.

The weight room is 4,030 square feet with a dedicated plyometric training area, private massage rooms and strength coach offices.

BUD WALTON ARENA

NOLAN RICHARDSON COURT

• Arkansas has won over 81 percent of its games played in **BUD WALTON ARENA** since it opened in 1993-94.

• The Razorbacks have ranked in the top 30 in national attendance in all 33 years playing in Bud Walton Arena, including 27 times among the nation's top 15 while ranking among the top 4 for six-straight seasons (2020-21 to 2025-26). In fact, **ARKANSAS LED THE NCAA IN TOTAL ATTENDANCE IN BOTH 2020-21 AND 2021-22**, and has ranked among the top 4 from 2020

• On Oct. 20, 2019, the floor at Bud Walton Arena was named **NOLAN RICHARDSON COURT** in honor of the Razorback Hall of Fame coach.

I don't care if you're experienced or not, I don't think you see many environments like this. It's a different kind of thing.

JON SCHEYER (DUKE)

Bud Walton Arena is AMAZING.

JAY BILAS (ESPN)

Bud Walton is as good of a arena, as good as any environment, as anywhere I've ever been in college basketball.

TYSON FOODS JERSEY PATCH

Expanded partnership reinforces shared commitment to community, students, and nutritious protein.

• Tyson Foods and the University of Arkansas Department of Intercollegiate Athletics announced in March of 2026 an expanded partnership, introducing one of **THE FIRST EVER JERSEY PATCH SPONSORSHIPS** and creating one of the most visible brand integrations in college sports.

• Beginning with the 2026-2027 athletic season, the **TYSON FOODS** logo will appear on the jerseys of all 19 men's and women's varsity Razorback teams. Under the new multi-year agreement, Tyson Foods will also serve as the Official Protein of the Arkansas Razorbacks, helping fuel students and athletes with protein they need to perform at their best.

"Tyson Foods has been proud to support the Arkansas Razorbacks for generations–investing in champions today and leaders for tomorrow in the state we've called home for more than 90 years," said **John Tyson, Chairman of the Board at Tyson Foods.** "Together, we support young people to compete and succeed–on the field, in the classroom, and beyond."

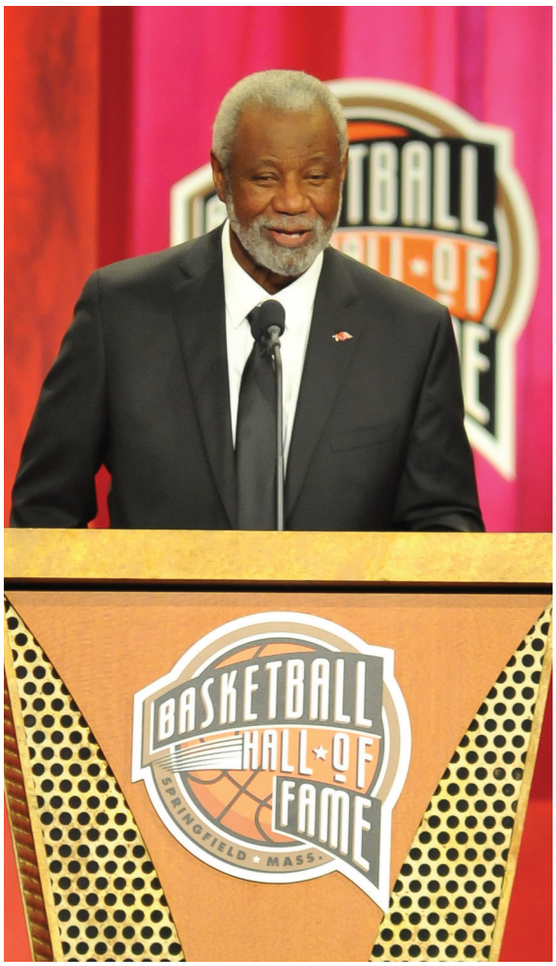

The Most Comprehensive Partnership in College Sports History

As part of the agreement, Tyson Foods will be integrated across Razorback Athletics through a comprehensive set of brand assets, including:

- Official Protein of the Arkansas Razorbacks
- Jersey patch placement across all 19 varsity teams (men's and women's)
- Logo placement on fields and courts across sports venues
- Media backdrops at press conferences and broadcast facilities
- Brand Ambassador programs engaging Arkansas student-athletes
