## Semifinal 1 Quotes – Head Coaches

### **Oklahoma Head Coach K.J. Kindler**

*Opening statement...*

"We are very excited to be moving on. It was tough out there for us. We started a little bit shaky on floor, lots of adrenaline and little extra steps. There were some uncharacteristic mistakes, but I think they were definitely working out some jitters that they had. We sort of settled in on vault and just got better as the day went on. We are really looking forward to tomorrow and having a chance to fight for a National Championship."

*On handling the pressure...*

"Like I said in my opening statement, not very well. It took them a bit to settle in. They were a little jacked up in the beginning so it was good that we started on floor."

*On Maggie Nichols' performance...*

"That young lady has gone through a lot in the last year. I just emphasized we were not disappointed in her. I know she had heavy feelings about letting her team down and I tried to let them go for her. She has done so much for our team and brought such notoriety to our program. We couldn't do anything we are doing without her. I tried to let her know that and now hopefully she can get over the hump."

*On preparing for Super Six...*

"I am very excited to not come at 8 a.m. tomorrow! Chase Capps likes to sleep until Noon and she was doing her floor routine at Noon today. There will be a lot of recovery, relaxing and getting our bodies ready to go."

### **Valerie Kondos Field (UCLA)**

*Opening statement...*

"With parity getting tighter and tighter every year, it seems like there could be that much more stress at Regionals and through this meet. I have to admit that I felt it. Despite that, what really stands out to me, especially having athletes like Kyla (Ross), Madison (Kocian), Peng-Peng (Lee) and Katelyn (Ohashi) is the joy that they all have for the sport. One of the greatest moments of my coaching career happened just last week. It was during practice, it was the end of workout and I just patted Kyla on the back and said, 'Kyla, I just love watching you do gymnastics.' She said, 'Miss Val, I love doing gymnastics.' I think you see that, with every single athlete, from every single team in college. That's the really important part of our sport. With elite athletes in particular, continuing and not just stopping. This is a really important lesson to teach all of us, especially kids, just how to enjoy working really hard, how to enjoy pressure and how to support your opponents. Our organization is just something I am so proud to be a part of."

## **UCLA Head Coach Valerie Kondos Field (continued)**

### *On Madison Kocian...*

"Madison is doing great, she had a better meet than she's had in the last month. She would have no problem telling you she's mentally exhausted. For her to rally every weekend like she has this season is remarkable. If you ask every single athlete, they do it for the team, but she is looking forward to having a break."

### *On the makeup of the team...*

"We are the exact opposite of Oklahoma. UCLA does take their training very seriously, obviously or they wouldn't be able to do what they do in competition. But they are led by a lot of athletes who have not had a lot of fun in the sport. To have Katelyn Ohashi say I am so glad I found my joy again is huge, so we realized that we compete much better when we have lots of fun. That's my personality as well. For years I tried to pretend I was this bad-ass, but I couldn't pull it off and wasn't believable. The girls didn't do well. As soon as I started being me and we started to let loose and enjoy every second, that's when we got successful. I would describe them as joyful and appreciative."

### *On the comradery among coaches and athletes...*

"It's great, our sports lends itself to it. There is nothing that anyone can do that's going to affect another team. We have no offense, no defense, no ball, there is no need for head games. Our first national championship we won, Georgia was on vault and we were on a bye. They had this gorgeous 5'7" gymnast named Leah Brown who did an incredible vault. Our girls ran out of the corral to high five her. I loved it."

## **Utah Co-Head Coach Tom Farden**

### *Opening statement...*

"It was a dogfight out there. We are proud to be in the mix and to be moving on tomorrow to fight another day. There were a lot of great performances by a lot of great athletes out there today. I felt like today for our team in particular was a tale of two halves. We started out on vault and bars, thinking it would be an advantage to have Olympic rotation, but we were a little tight. We were trying to guide their gymnastics a little too much, so after 12 routines were done, we grabbed the team and told them to loosen up and go back to their normal selves. Just to get back into our routine rhythm. I think as we finished up on beam and floor they did a really nice job."

### *On the quality of team's and individual gymnasts in the session...*

"I want to echo what Val said, in terms of how many great athletes were out there today. You had Olympians, world team members, national team members and the highest of level 10s. All of these kids do beautiful gymnastics and it was just a treat to be out there."

### *On the advantage of competing in the afternoon session...*

"It was an advantage to be in the opening session. We can get back to the hotel and rest, do treatments and then begin the process of relaxing and refreshing for another day."

### *On the fierce AA competition this session:*

I didn't know seven of the 10 top all-around gymnasts were in this session. But I bet that people who

bought a seat didn't need the whole seat, since they were likely on the edge of their seat the whole time. "It's a lot of fun to see the competition out there."

## Semifinal 1 Quotes - Student-Athletes

### **Sophomore Nicole Lehrmann (Oklahoma)**

*Opening statement..*

"Today was really exciting and we're really excited about tomorrow and I can't wait to be out there with my team."

*On her performance this afternoon...*

"It went really well and I'm really happy about it. That's in the past now and I really want to leave that behind and hopefully do the same, if not better routines tomorrow for my team."

*On if the team feels pressure...*

"Of course everyone feels a lot of pressure, but I think a lot of teams feel pressure differently. I think we take in pressure really well and we use it to our advantage to boost us up and use that energy."

### **Freshman Kyla Ross (UCLA)**

*Opening statement...*

"This being my first nationals, it's so much fun being here and being with my team and competing in collegiate gymnastics. I'm excited to have one more shot tomorrow."

*On her strong start on bars and beam...*

"It was fun to start on bars. That's one of my favorite events so coming in strong and starting off there really built the momentum for me. Then being put in on floor was exciting because that was one of the few times I've been put in on floor this year."

*On two Pac-12 teams advancing to Super Six Finals*

"Having so many Pac-12 teams here, we definitely feel the love and the whole family behind us. There's lots of familiar faces so we're all rooting for each other and to be able to continue on tomorrow with Utah. It's going to be an exciting competition."

### **Freshman MyKayla Skinner (Utah)**

*Opening statement...*

"This is my first nationals and it's been so fun to be here with my team. I'm ready to move on to tomorrow and kill it and enjoy the moment."

*On two Pac-12 teams advancing to Super Six Team Finals...*

"It's definitely exciting. It's fun to have all the teams here. It's a great experience to have them here and watch them kill it as well."

## Semifinal 2 Quotes – Head Coaches

### LSU Head Coach D-D Breaux

#### *Opening statement...*

"What a great venue. The host and NCAA really put together a great competition. The crowd tonight for every team – there's so much energy and so much enthusiasm in the building. Nothing great has ever been achieved without enthusiasm. This meet has truly become a great event because of that. We work as the SEC, as a conference, as a league of women to do this very thing. The three of us are sitting at this table at the end of the day. I'm really excited and I'm very really proud of our entire conference."

#### *On LSU's team performance and if they had a score goal tonight...*

"We really don't. What you need to do is beat three people. You want to keep your momentum going. You want to keep your enthusiasm and energy going. It's a very difficult task. Because you have these byes in here that really bring them down. You have to rev them up and get them going again. It was not a target score. There was just the target of you have to come out of the top three. You have to be the top three. That really was the goal today. Then regroup, cold tub, regroup and come in here tomorrow and throw it all on the floor. Let it go. Have fun. It's all about having a great time and bringing the glory back to your university. Go Tigers!"

#### *On LSU's fan support at the Championships...*

"Maybe we could have a private conversation and I could tell you how I'm really feeling. I can tell you I remember going to National Championships when maybe some of the parents came. I think everybody that has a team here can do that. This is my 40th National Championship. To have people on the bottom row and in the rafters and yelling 'Go Tigers' is a lot of gratification. There's a lot of glory in that. I'm so proud of my university and so proud of Tiger nation for representing us like they do."

#### *On LSU's performance on floor...*

"That's how we train. This team has a lot of heart, that's their mantra. They brought their A game tonight. We missed a few landings and we had a few little glitches. This is a long meet. This is a marathon competition compared to our dual meets and our conference championship. We had to shift gears coming into this meet. Every team out there is exhausted. It's 10:30 at night – 10:45. We have to get our kids in the cold tub, and we have to feed our kids and get them to bed. Then we have to come out here roaring, screaming and hollering and do it all again. My objective is to let our best meet be tomorrow."

### Florida Head Coach Jenny Rowland

#### *Opening statement...*

"Just to piggy back off of D-D's note, the energy level, the excitement of this crowd really helped the momentum of the teams here tonight. I'm very thankful for all of the support, especially the SEC. It was very loud in there tonight. It is an honor and privilege to be here. We talk about that. You can't take anything for granted. It's something we all strive. We work really hard in the gym. We work really hard out of the gym. To see it all come together is really rewarding. I'm really proud to be here today amongst two legends and myself. I'm looking forward to a great competition tomorrow."

**Florida Head Coach Jenny Rowland (continued)**

*On Alex McMurtry winning the all-around title...*

"Like she said, it was something that we had a conversation about at the beginning of the year and asked her what her goals were. She had goals but I had bigger goals in mind. I said, 'What do you think about being a national champion?' And she goes, 'I think that'd be pretty cool.' 'Well, let's work toward that. Because I really think that's attainable.' 'Okay.' Alex never says no. Whatever she does, she gives 110 percent. In the gym, out of the gym. 4.0 student. Huge heart. Will carry the team on her shoulders. Will do anything for everybody else. And to see it all come together tonight was so rewarding and I'm very, very proud of her."

*On Florida's team performance...*

"I think it was great. Starting out on vault was amazing momentum from this team. It set the tone for the evening. The girls were loose and they were having fun. I knew after vault it was going to be a good night. They kept that attitude throughout all six rotations even on the byes. It was very great. A very successful day and looking forward to reboot, regroup and do it again tomorrow."

**Alabama Head Coach Dana Duckworth**

*Opening statement...*

"The National Championship is the pinnacle of college gymnastics. It's what we start with even in the summer with preparation is for the opportunity to be here. It never gets old and you can never take it for granted. D-D and Jenny, congratulations. I'm so proud that we have three teams qualifying from the SEC because we do have one amazing conference. Our team, specifically for Alabama, it has been an up and down, inside out season. If you really knew all of the ins and outs, all of the surgeries and that freak car accidents. It's one of those things where you keep saying, 'okay, what's the next challenge? What is the next challenge?' Every team that was here tonight has their own story to tell. To be able to have ESPN cover this live is such a testament to college gymnastics and where we have come and where we are today. I congratulate all of those that are going to be on the floor for the Super Six tomorrow night. And that's the goal every year – to have the opportunity to be on that floor with the opportunity to win."

## Semifinal 2 Quotes - Student-Athletes

### **Ashleigh Gnat (LSU)**

*Opening statement..*

"I thought tonight was a really great experience for our entire team. Being out there on the floor with our girls was so amazing. We gave it 100 percent and really put our hearts into every routine. Being able to cap that off in this position is an amazing experience and an honor, however it just the entire culmination of the lineup that really made it what it was."

*On LSU's performance on floor...*

"It was an amazing way to start out. We know what our potential is, so to go out there and have every girl put out their high scores while having a great time doing gymnastics was really important to our team. Having it happen at Nationals makes it even better. I think the entire lineup knew that you have to keep peaking, you can't stop after one event. Momentum is a dangerous drug, once you're on it, you have to keep going."

### **Alex McMurtry (Florida)**

*On winning the all-around title...*

"I want to thank my coaches for setting that goal for me. I didn't think that was really possible or in my future, but we set that goal and worked towards it all season. I'm really happy with my performance putting together all four events. I'm happy with my team's performance, we started on vault and we started on fire. I think that's how we carried out the whole meet."

*On when her coaches spoke with her about her potential...*

"I actually walked out of that meeting and told my teammates that I didn't think that was really my potential. I've had the hardest time with confidence. It's my junior year and I feel like I am finally starting to figure it out. I started competing all-around this season and started with two falls. So starting out there, being at the National Championship level and being able to hit my best routines on all four of my events makes me really proud of myself. I'm thankful that the coaches sat me down and told me that it was in my potential so I could reach for it."

### **Keely McNeer (Alabama)**

*On recovering from a March car accident...*

"I was in a car accident, kind of freak accident. I broke my hand and it wasn't the best time for that to happen. I just really worked hard to get back to where I was and to be there for the team."

## Super Six Notes

### Championship Notes

- This is the 36th National Collegiate Women's Gymnastics Championships.
- Oklahoma claimed its second consecutive National Championship. It also marks the Sooners' third title in the last four years.
- The Sooners' 198.3875 set the NCAA record for a team score in a Super Six, topping the previous mark established by OU and Florida (198.1750) at the 2014 NCAA Championships.
- Oklahoma's 0.65 margin of victory is the highest since Georgia defeated second-place Utah by 0.95 (197.750-196.800) in 2006.
- The Sooners posted an NCAA Championships record 49.700 on beam, besting the old high of 49.600 set by UCLA in 2004.
- LSU finished second overall for the second year in a row to tie the team's highest-ever finish
- Three different gymnasts, Florida's Alex McMurtry (bars), Oklahoma's Maggie Nichols (beam) and UCLA's Peng-Peng Lee (beam) all scored 10s. This is the first time since 2009 that there have been three perfect 10s at the national championship and the first time since 2005 that there have been three during Super Six competition.
- Nichols and Lee's 10s on beam were only the fourth and fifth perfect scores on the event in Championships history and the only two ever during Super Six Finals.

### Team Notes

- Florida took third in the NCAA Super Six. The Gators have finished in the top four in each of the last six NCAA Super Six competitions (first – 2013, 2014, 2015; second – 2012; third – 2017 & fourth – 2016)
- Alabama is the only school to finish in the top six at NCAA Championships each of the last 10 years.
- UCLA has scored 10 perfect 10s this season – four by Kyla Ross (2 bars, 2 on beam), three by Peng-Peng Lee (2 bars, 1 beam), two by Katelyn Ohashi (2 beam) and one by Madison Kocian (bars)
- Saturday marked Oklahoma's fifth straight and seventh overall trip to the team finals. In each of their seven Super Six appearances, the Sooners have finished within the top three.
- Oklahoma posted a perfect 33-0 record, its first undefeated season in program history.

### Individual Notes

- Alex McMurtry tallied the first Gator 10 on bars in NCAA Championships' competition. UF's Susan Hines scored vault 10.0s in 1998 NCAA semifinal and Super Six competition as the only other Gator 10.0s in the program's history.
- UCLA's Peng-Peng Lee's 10 on beam was the first of her career and her third 10 of the season (she had two 10s on bars prior to tonight)
- McMurtry now has four 10.0s on bars – two in 2016 and two in 2017. It was the seventh 10.0 of her career (4 bars, 2 vault, 1 floor).
- McMurtry's 39.80 in all-around is Florida's highest ever in NCAA Super Six action (previous high: 39.75 by Bridget Sloan 2013)

## Super Six Quotes

### Oklahoma Head Coach K.J. Kindler

#### *Opening statement...*

"There's a lot to say I guess. We watched the second session yesterday. We saw how amazing LSU was, they really knocked it out of the park. Our coaching staff really worked hard to come up with a way to flip the switch for our team. Coming off a kind of average performance for us yesterday, it was tumultuous and really tough actually. We met four times last night and this morning just trying to get our team in the right mindset and what was the way to do that. We had an amazing meeting this morning. It was very short and very sweet and pointed. I felt like that really put them in more of a freedom state of mind. Coming in as a coaching staff, we talked about that first bar routine. That very first dismount was going to be huge for us. Chayse (Capps) sets the tone for the whole meet since she's first up on bars. She was having trouble on her dismount actually all warmup. But meet time she just flipped a switch and nailed that dismount. I felt like it was euphoric from that point forward, they were just rolling. We just had amazing performance after amazing performance. It felt crazy really. I almost felt like I wasn't here. It was that amazing. To have that kind of performance from a coaching standpoint – wow. As an athlete, to be in that state of mind and to get your body to do what they got their bodies to do tonight, over and over and over, performance after performance, I don't think you see that very often. I don't know that we've done it at a national championship before the way we did it tonight. It's a really special night. That was really long winded but that's what I have to say."

#### *On the coaches' message in the meeting...*

"We've had a really interesting theme this year. We're not one that picks one theme and sticks with it. What we did was we picked a number for every single meet this year. I know that sounds weird. But we picked a number that was meaningful to us for that day that had significance. Yesterday we picked 17, because that's the number of athletes that's on our team. Today, we picked the number eight. Because Oklahoma has eight letters. Honestly, I know it sounds crazy. But that's why we're here. We're here to represent our school and our amazing athletic department and the people who support us day in and day out. That's why they did it tonight. So you flip an eight on its side and it's an infinity. Boundless potential. Limitless. We gave just a little speech and there were a few other interesting things said. Ultimately, we had gotten them this shirt that said 'end on empty.' I got it in September made. Just thinking I wanted them to drain every single thing out of their body on this last night. They totally did – emotion, physical, everything. We were trying to put together the perfect meeting, to answer your question, involving all of those things but short. Not something they had to pay attention for. You know? Something that would make them pop. They did. They walked out of that room with swagger. I think they were rejuvenated and they killed it."

*On Maggie Nichols coming back from a fall on beam yesterday...*

"Maggie is very sensitive. I knew she was disappointed and mostly felt like she disappointed us. Because that's the kind of person she is. She has a huge heart. I wanted to remove any doubt that was in her mind. She has a beam routine packed with difficulty. I knew if I pulled the plug on that one skill that she had problems with yesterday, it would probably put her in a different place. I feel like she had an agenda when she mounted the balance beam. I think she clearly fulfilled it."

*On the moment she knew they were back-to-back National Champions...*

"To me you cannot count on it until it's over. I felt like when A.J. (Jackson) landed that vault, that's when I felt okay, it's there. I know that sounds crazy, but anything can happen in those moments in sports. You just hang on and have faith."

*On if the team relaxed more tonight...*

"Are you kidding me? Yeah. I know you could probably see them on the floor, but they were completely at ease. Completely at ease. If you could've seen the locker room, it was a whole other story. They got in that place. They were in a special place. But they still are serious and intense."

*On the crowd and St. Louis as a host...*

"First of all, the crowd was amazing. Amazing energy from all of the schools, great sportsmanship from top to bottom. For UCLA to do that Boomer Sooner with their whole crowd with our team right there by the vault crowd, what great sportsmanship. I was very touched by that. I thought that was amazing. To sell out such an amazing arena with that kind of energy, it was awesome. We were feeling it. We felt it. They fed off it. The athletes did. And St. Louis, obviously, a great location for this Championship. Going to Fort Worth, we were building a crowd. I'm amazed at how many people came out this very first year and to sell out an arena. Very much looking forward to next year."
