Football Strength and Conditioning Intern

The University of Arkansas Football Strength & Conditioning department is looking to fulfill three Spring 2021 internship positions for those interested in a career in strength and conditioning. The anticipated start date will be January 22, 2021. The internship will be unpaid. Interns will gain an educational benefit and practical experience working in a Division I, SEC strength and conditioning environment under the guidance of an approved CSCCa mentor. Upon completion, interns will be qualified to sit for the SCCC exam from the CSCCa. Responsibilities will include, but are not limited to, assisting with the implementation of strength and conditioning programs, participation in an educational curriculum that will involve meetings and demonstrations with the strength staff, and maintenance of the strength and conditioning facility.

Regular, reliable and non-disruptive attendance is an essential job duty, as is the ability to create and maintain collegial, harmonious working relationships with others.

Minimum Qualifications

Currently pursuing or hold a Bachelor's degree in exercise science or related field

Preferred Qualifications

Actively pursuing CSCS, or CSCCA Certification

CPR/AED Certification

Experience with the Catapult wearable technology system

To apply, please submit resume and list of three references to:
