

## Arkansas Razorbacks | 2021 Indoor Track & Field | Fan Information

For the 2021 Razorback indoor track and field season no fans will be allowed at any of the home meets hosted by Arkansas, which includes SEC & NCAA Championships as well as American Track League meets.

You can still be part of the indoor season, though.

**Calling the Hogs** inside Randal Tyson Track Center is such a special tradition.

Since no fans are allowed inside the venue for the 2021 indoor season, we still want to include your enthusiastic cheering by putting your video on the videoboard.

Submit a video of you **Calling the Hogs** or write an encouraging note to the team and they will see it on meet day.

Go this link to submit a video or message for the Razorbacks.
