2021 RECORD BOOK

GEORGE M. BILLINGSLEY TENNIS CENTER

The George M. Billingsley Tennis Center has been the outdoor home of Razorback tennis since its renovation in 2008. The \$2.8 million expansion and renovation gives the Razorback men's and women's tennis teams a complete facility combining the outdoor courts of the Billingsley Center with the indoor courts of the Dills Indoor Stadium.

The outdoor facility includes bleacher seating between the two sets of five courts. Fans can sit in the bleachers and watch matches on either side, or stand on top and view matches on both sides.

Renovation includes locker rooms, offices and an indoor club area attached to the Dills Indoor Stadium and connecting the indoor facility with the outdoor facility. The club area includes chair back seats on one side overlooking the Dills Indoor Courts and chair-back seats on the other overlooking the Billingsley Center outdoor courts.

Other additions included scoreboards for the individual courts and a larger scoreboard on the west end of the north set of outdoor courts which will display the scores from outdoor courts one through six.

DILLS INDOOR COURTS

The Razorbacks have a proud tradition of providing the best athletic facilities the world can offer, and the Dills Indoor Courts are no exception. Constructed in 1982, the structure was originally known as the University of Arkansas Track and Tennis Complex. In 2002, the facility was renamed the Dills Indoor Tennis Center and dedicated solely to the netted sport, offering the latest to competitive collegiate tennis athletes of today.

The center was renamed and dedicated on April 30, 2002, in honor of Jane Dills Morgan and Nancy Dills Lee, along with Ewell Lee, who made a sizeable donation in the name of Robert "Bob" and Lucille Dills. They were early and long-time supporters of the Razorback program.

The center originally included just four courts, but the renovations upped that number to six. Other improvements included a new ceiling and insulation system, 96 new lamps, resurfacing of all the courts and 12 electronic scoreboards that hang from the ceiling.

When the building was rededicated, massive internal renovations were made to the complex to provide one of the best facilities in the country. With six courts, the indoor complex proved to be ideal when the sometimes cold, unpredictable weather of Northwest Arkansas prevented matches from being played outside.

The stadium seating of the Dills Indoor Tennis Center puts even the most die-hard tennis enthusiast at ease. With more than 500 chair back seats and standing capacity for 200-plus more, the Dills Indoor Tennis Center is one of the largest in the country. Large heaters and an insulated ceiling provide a warm environment in even the coldest of winters, allowing athletes to improve their skills year round. The indoor center includes locker rooms for women's and men's programs, coaches' offices and lobby. The facility hosted the men's SEC Tennis Championship in 1994 and 2008 and the women's SEC Tennis Championship in 1997 and 2009.
