Angie Nelp

Colorado State, 2002

Head Coach

Third Season

Record at Tulsa: 57-33

Career Record: same

Angie Nelp is in her third season as the head basketball coach at The University of Tulsa. She became the school's 11th head coach in women's basketball history when appointed to the position on April 12, 2021.

In two seasons, Nelp has compiled a 34-24 record for a .586 winning percentage. She became the first coach in Tulsa women's basketball history to post winning records in her first two seasons, registering 17 wins both years.

In her 15-year Division I coaching career, Nelp has helped lead teams to postseason competition nine times. She has coached 35 all-conference players, eight conference players of the year, four conference freshman of the year honorees, 43 academic all-conference selections and has had 18 players play professionally.

Nelp came to Tulsa following four seasons (2017-21) on the coaching staff at Arizona State. She spent her first three years as an assistant coach and was promoted to associate head coach in April 2020. During her tenure, the Sun Devils posted a .617 winning percentage with an overall 76-47 record and advanced to the postseason three times. ASU played in the NCAA Tournament twice, moving to the "Sweet Sixteen" in the 2018-19 campaign, and competed in the WNIT during the 2020-21 campaign.

Nelp also had stints at Rice (2015-17) and Mercer (2011-15) as an assistant coach, Marquette (2008-10) as an assistant director of operations and at Arkansas (2007-08) as a graduate assistant.

Nelp played collegiately at Colorado State (1998-02), accumulating 1,397 points, 629 rebounds, 356 assists and 261 steals in four seasons, and leading the Rams to three NCAA Tournament appearances. She earned Mountain West Defensive Player of the Year honors, was a first-team All-MWC selection, a Kodak All-America Honorable Mention honoree and was named an academic all-conference performer all four seasons. Nelp was inducted into the Colorado State Athletics Hall of Fame in 2019.

A native of Eufaula, Okla., Nelp, formerly Angie Gorton, starred at Canadian High School in Oklahoma, and led her team to the 1998 Oklahoma State Championship while earning state tournament MVP honors and was tabbed as the 1998 Oklahoma Gatorade Player of the Year.

After graduating from Colorado State in 2002 with a bachelor's degree in health and exercise science, she went on to spend two seasons with the NWBL Colorado Chill and one season with 08 Stockholm in Sweden. As a professional, she helped lead the Chill to the 2005 NWBL title and 08 Stockholm to the 2003 Swedish national crown.

Following her professional career, Nelp returned to the United States to serve as the head girls' basketball coach at Yorktown High in Yorktown, Ind.

Nelp and her husband Jake have four children: JJ, Louis, Ellie Kaye and Harrison.

A Hurricane in Tulsa?

In 2022, Tulsa celebrated the 100th anniversary of adopting the school's nickname of Golden Hurricane.

In 1922, first-year coach Howard Acher saw great potential in his team and wanted to publicize it by creating a new identity with a new nickname. Sports writers and others had called the school by any number of names from the Presbyterians to the Orange and Black, to the Kendallites.

After an opening day win against a strong Texas Christian University team in 1922, Acher put his mind to work. The press had claimed that the Tulsa football team blew through its opponents like a tornado. So, it figured that Tornadoes, would be the nickname with "golden" added to identify the color of the uniforms. However, it was later found that Georgia Tech had claimed that name, so from tornado it was evolved meteorologically to a hurricane. Thus the squad voted, and the name "Golden Hurricane" became the new team moniker with the gold added because of the jersey color.
