In today's world of collegiate athletics, few can claim to have been at a program since the beginning. Not many can say they were there at the origin of a program, having been present from the very inception to where it stands today. And certainly nobody can claim to have brought a program further, and in shorter time, than Crimson Tide head softball coach Patrick Murphy, currently in his 26th season as the program's leader in 2024.

From a humble start to a national championship, Murphy has taken Alabama to the top of the college softball world. Beginning with his days as an assistant in the very first years of the Alabama softball program, Murphy has emerged as the face of a team that has grown under his leadership to become one of the most consistently successful programs in the nation.

The accomplishments are there for everyone to see. A 2012 National Championship, 14 Women's College World Series berths, six SEC regular season titles, five SEC tournament titles and 25-straight NCAA Tournament bids are only a few of the team honors that Murphy has brought to Tuscaloosa during his tenure.

The individual honors are equally as impressive. Tide players have earned NFCA All-America honors 62 times under Murphy's watch. He has tutored 110 All-SEC performers and 111 NFCA All-Region honorees. His teams have been just as successful in the classroom, with 36 Academic All-Americans and 288 SEC All-Academic selections.

Even more impressively, Murphy has led the program to a surge of popularity among Tide fans. Alabama has become a regular atop the nation's attendance standings, with an ever-growing group of loyal fans who fill the stands at Rhoads Stadium throughout the season. The 2008 campaign was a sellout, setting a new benchmark in season tickets sold with more than 1,200 allocated to loyal fans. During the 2009 season, Alabama broke the single-season attendance record formerly held by Fresno State. Then, in 2010, a record total of 80,690 fans were part of the atmosphere in Tuscaloosa followed by 68,110 that took in the Tide in 2011. Attendance has topped the 90,000 mark in four of the last six seasons, with 91,541 fans in 2012, 93,332 in 2013, 90,021 in 2015 and 92,199 in 2017. In 2016, Alabama became the first program in NCAA history to average 3,000 fans per game during the regular season.
