2025 GEORGIA SOUTHERN WOMEN'S SOCCER MATCH NOTES

HEAD COACH CHRIS ADAMS

Chris Adams begins his fifth full season at the helm of Georgia Southern women's soccer in the Fall of 2025.

Since coming to Statesboro in the Spring of 2021, Adams has led the Eagles to a Sun Belt Conference regular season title (2022) and a berth in the Sun Belt Conference Tournament Championship match (2021).

The Eagles are 38-30-12-10 in Adams' four-plus seasons which included a seven-match win streak at the end of the 2023 regular season, the longest for Georgia Southern since the 2000 campaign. With a 2-1 win over South Alabama on October 18, 2024, the Eagles also claimed win number 250 as a program.

Adams was named the sixth head coach in Georgia Southern women's soccer program history on Nov. 24, 2020. Coach Adams hit the ground running, coaching the Eagles in three Spring matches in 2021, defeating Stetson by a 2-1 score for his 200th career collegiate coaching victory.

Adams came to Statesboro after serving as the head coach of the University of North Georgia women's soccer for last 18 seasons. During his time at UNG, Adams reached double-digit wins in 11 straight seasons and made the postseason a regular occurrence with six trips to the NCAA Tournament in the past nine years and making the Sweet 16 in 2016.

His career collegiate head coaching record stands at 237-128-40 in 22 years, a winning percentage of .635.

In addition to his collegiate coaching pedigree, Adams also has a successful head coaching experience on the professional level as he led the 2011 version of the Atlanta Silverbacks women's team to the United Soccer League's W-League Championship with a 6-1 victory over the Ottawa Fury.

He began his coaching career in 1995 while an undergraduate at the University of Georgia, where he helped build the first women's soccer team. In the first year of competition, the Lady Bulldogs went 10-5-3 overall and posted a 3-3-2 mark in SEC action. In his three seasons with Georgia, the Lady Bulldogs compiled a 39-19-4 record and 14-8-2 in conference play.

The Athens, Georgia, native graduated from the University of Georgia in 1998 with a Bachelor of Science in physical education and health with an emphasis in coaching. He also earned his Master of Science in physical education and health at North Georgia. Adams and his wife Melissa have two daughters, Gracen and Anna.

NOTABLE NOTES

- Georgia Southern women's soccer has been a bastion of continuity over the last three seasons, losing just three total players to the transfer portal in that time. The Eagles have 17 letterwinners returning for 2025 after returning 17 letterwinners in 2024 and 20 letterwinners in 2023
- Head Coach Chris Adams coached the three Spring 2021 games after taking over the Georgia Southern program in November of 2020. His 40-31-12 overall record in five-plus seasons represents a .554 winning percentage, which ranks second among Georgia Southern women's soccer coaches historically
- The Eagles are tracking to score the program's 1,000th goal either this season or next. Georgia Southern has scored 96 total goals in the 32-plus seasons of women's soccer through Thursday's game against Western Carolina. GS has averaged 1.4 goals per game in the 83 games under Coach Adams
- Georgia Southern has just three seniors on the squad - F Bri Conley, MF Carley Borgelt and D Erin Wilkins
- The Eagles are hoping to reverse a trend in close matches last season. Georgia Southern was just 2-9 in one-goal matches in 2024. Prior to that, the Eagles had been 18-13 under Coach Adams in one-goal matches and both of Georgia Southern's wins so far in 2025 have been one-goal victories
- It has been 71 matches since an Eagle has tallied two or more goals in one match, dating back to Sept. 17, 2021 when Elis Nemtsov had two goals in a 4-1 win over Appalachian State
